

ARTICULATION AGREEMENT
between
LONG ISLAND UNIVERSITY
and
KINGSBOROUGH COMMUNITY COLLEGE

Sending College: Kingsborough Community College, City University of New York
Department: Biology **Program: A.S. Biology**

Receiving College: Long Island University, Brooklyn Campus
Department: Athletic Training, Health, and Exercise Science **Program: B.S. Health Science**

This Agreement is dated as of JANUARY 1, 2019 and is entered into between **Long Island University**, a not-for-profit educational institution organized and existing under the laws of the State of New York, located at 1 University Plaza, Brooklyn, NY 11201 (hereinafter "LIU") and Kingsborough Community College, located at 2001 Oriental Blvd, Brooklyn, NY 11235, (hereinafter "KCC").

WHEREAS, LIU offers its students a Bachelor of Science degree program in Health Science (hereinafter "LIU Program");

WHEREAS, KCC offers its students an Associate of Science degree program in Biology (hereinafter "KCC Program");

WHEREAS, KCC and LIU are willing and able to partner together to facilitate the successful matriculation of KCC students into LIU's Program.

NOW, THEREFORE, BE IT AGREED AS FOLLOWS:

I. PURPOSE AND OVERVIEW

The purpose of this formal Articulation Agreement is to outline procedures for the transfer of students between KCC and LIU. Upon successful completion of the requirements outlined in Section II, KCC Program students will be eligible for admission into LIU's Program after satisfying all LIU Program admissions requirements. Students admitted via this Agreement will have junior-year status upon registering at LIU and if applicable, will only apply for student aid at LIU. Once admitted to LIU, students will follow a defined curriculum for, generally speaking, two years of full-time study to earn a Bachelor Degree upon successful completion of LIU's requirements.

II. TERM AND TERMINATION

1. **Term.** The term will commence on the date it is fully executed by both parties ("Effective Date") and shall be in effect for a period of two years, and shall renew automatically for additional two-year terms, unless sooner terminated as provided herein.
2. **Termination for Cause.** In the event a party determines that a material breach has occurred, it shall give the other party written notice of such asserted breach, and the party receiving such notice shall have fifteen (15) days to remedy such breach to the satisfaction of the other party. In the event that the breach is not cured within the stated time frame, the non-breaching party may terminate this Agreement without sustaining any liability.
3. **Termination without Cause.** Either party may terminate this Agreement, without cause, upon

sixty (60) days written notice delivered to the other party.

4. **Effect of Termination.** In the event of termination of this Agreement under this Section, KCC and LIU will cooperate in securing the orderly continuation of the programs provided hereunder for students already accepted or matriculating in the program.

III. ADMISSION REQUIREMENTS

Qualified KCC graduates desirous of obtaining a LIU degree must meet the following requirements and qualifications for admission to LIU:

1. Students must successfully complete all of the requirements for graduation from the KCC Program; and
2. Students must demonstrate upon graduation a cumulative GPA of 2.0 or above

LIU's admissions process will be implemented on a streamlined basis. Candidates who seek to enroll in the LIU Program shall meet all LIU admission requirements. No student will be allowed to register until the candidate has been reviewed and accepted by LIU in its sole discretion. Acceptance of and matriculation in LIU is not a guarantee of completion of the LIU Program.

IV. TRANSFER OF CREDITS

KCC Program graduates are eligible to transfer up to 72 credits towards the LIU Program (see attached transfer course equivalent table below). Students must earn a grade of C or better in courses for which they wish to receive transfer credit. LIU, in its sole discretion, will evaluate educational experiences outside of the KCC Program on an individual basis. The attached appendices describe the nature and extent of value and assigned credits that student will receive for their KCC courses at LIU.

V. PROGRAM PROMOTION AND RECRUITMENT

Responsibility for the promotion of and recruitment for this program will be undertaken by appropriate personnel at both institutions to the extent that each institution considers reasonable and possible.

Specifically, KCC will:

1. Disseminate promotional materials, brochures and marketing collateral related to this Agreement and provided by LIU.
2. Promote LIU in any publications and/or websites that discuss transfer options and Agreements, and KCC's website(s) will have a link to LIU.
3. Provide a meeting space and process for a LIU transfer counselor to interact with currently enrolled KCC Program students.
4. Assist and advise KCC students in the matriculation process.

Specifically, LIU will:

1. Host an orientation/registration program for incoming KCC students, at a mutually agreeable time and location.
2. Make available an admissions counselor at the LIU Program campus to advise KCC students.
3. Make available an admissions counselor at the KCC Program campus at least once each fall and spring semester to advise KCC students.
4. Disseminate information concerning the LIU Program, its fees, costs, requirements, policies and procedures.

VI. REPORTING REQUIREMENTS

1. Each semester LIU will provide KCC, upon request, the following information: a) the number of KCC students who applied to the LIU Program; b) the number of these students who were accepted; and c) the number of these students who enrolled.
2. Each semester, KCC will provide LIU, upon request, with a list of names, mailing addresses, and email addresses of students eligible to graduate from the KCC Program. LIU agrees to use this list solely to contact eligible students and disseminate information concerning the LIU Program, its fees, costs, requirements, policies, and procedures.
3. KCC and LIU will notify each other of any conflicts of interest or potential conflicts which may have an effect on this Agreement of which either Party becomes aware.
4. KCC and LIU shall make available to one another, in writing, in a timely fashion, and when possible in advance, any changes in their respective programs and/or curriculum. When either of the Programs involved in this Agreement undergoes a change, the Agreement will be reviewed and revised accordingly by each institution.

VII. TUITION AND FEES/WITHDRAWAL

All matters respecting registration, collection of tuition and fees, withdrawal from courses, and the packaging and award of student financial assistance, if any, shall be solely under the exclusive control, management and administration of the program in which a student is then enrolled. LIU's tuition and fees are available on the LIU website.

VIII. SCHOLARSHIPS

KCC transfer students, upon completion of the KCC degree requirements, will be considered for all Transfer Scholarships and Merit Awards available (i.e., Presidential Honors Scholarship, Honors Scholarship, Merit Scholarship, Recognition Scholarship, etc.). Scholarships are based on GPA earned at the time of admission. Merit-based scholarships are subject to change and exact amounts may vary from semester to semester. All scholarships are awarded on a funds-available basis. Entering students from KCC covered by this agreement shall enjoy all other financial aid benefits and considerations where applicable in conformance of current guidelines and regulations in effect at LIU.

IN WITNESS WHEREOF, the parties have duly executed and delivered this Agreement as of the Effective Date.
