Immediately following the College Council Meeting held on May 21, 2021, Chairman and Vice President Richard Fox called the subcommittee meeting for Strategic Planning to order. The purpose of this meeting was to thank exiting sub-committee members for their service and welcome new subcommittee members. In addition, we were electing a Chairman and a Secretary to this committee for the coming 2021-2022 academic year.

Chairman Fox asked if there were any nominations for the position of Chairman of the Strategic Planning Subcommittee. Judith Cohen nominated Vice President Fox and Professor Dawn Levy seconded that nomination. Vice President Fox was elected by unanimous vote.

Chairman Fox then asked if there were any nominations for Secretary for this Subcommittee. He then nominated Maureen Daly. Judith Cohen seconded the nomination. Maureen was elected to the position by a majority vote and she accepted the position.

Chairman Fox stated that members may receive some correspondence over the summer relating to subcommittee matters and that we will meet again in early September 2021. The meeting was then adjourned.
