

Kingsborough Community College Launches **2020-2025 Strategic Planning**

Kingsborough Community College has launched its 2020-2025 Strategic Planning Process. The College Council's Strategic Planning Committee has been expanded to represent academic and administrative departments more fully. The committee will begin gathering input from a broad range of constituencies this fall, and will complete the plan by spring 2020. The committee is chaired by Richard Fox, Vice President for Institutional Effectiveness. Stay tuned for updates!
