

ARTICULATION AGREEMENT

A. SENDING AND RECEIVING INSTITUTIONS

Sending College: Kingsborough Community College (KCC)

Department: Communications and Performing Arts

Program: Speech Communication – Speech Pathology concentration, hereafter; SP and Communication Studies concentration, hereafter, CS

Degree: A.S.

Receiving College: Brooklyn College (BC)

Department: Communication Arts, Sciences, and Disorders

Program: Communication Sciences and Disorders, hereafter, CSD, and Professional

Communication, hereafter, PC

Degree: B.A.

B. ADMISSION REQUIREMENTS FOR SENIOR COLLEGE PROGRAM

Completion of the A.S. degree. Pursuant to University policy, students who have earned a City University Associate of Science (A.S.) degree will be deemed to have automatically fulfilled the lower division liberal arts and science distribution requirements for a baccalaureate degree.

However, students may be asked to complete courses required by Brooklyn College's requirements that was not part of the student's associate degree program. In such cases, any coursework required will be applied towards the total number of credits normally required for the baccalaureate degree.

Applicants will follow the standard admissions process, which includes completing a transfer application.

Also, graduates of the A.S. degree program who have not completed at least one year of foreign language study (or established an equivalent proficiency) may be asked to complete six (6) to eight (8) credits of foreign language coursework (or establish an equivalent proficiency) in addition to their normal degree requirements. Proficiency may be established based upon high school coursework, native language abilities, or examination.

Total transfer credits granted toward the baccalaureate degree: 60

*BC will accept a minimum of 60 credits for all courses taken for credit at an undergraduate CUNY college with a passing grade of D- or higher, regardless of whether a specific equivalency exists. For courses that do not have an equivalent, elective credits will be granted.

*Total additional credits required at the senior college to complete baccalaureate degree: 60

*Total credits required for the B.A. in CSD or PC: 120

C. Course Equivalences and / Transfer Credit Awarded

KCC graduates who complete the A.S. in Speech Communication will receive 60 credits toward the B.A in Communication Sciences and Disorders (CSD) or Professional Communication (PC) at Brooklyn College.

Transferred credits will be applied to the Baccalaureate degree as course specific transfer credits and electives. Students should meet with a transfer advisor who will review their transcripts to ensure appropriate placement within the program.

| SPE 2500 - Small Group Comm. (3 cr) | CASD 1618 - Group Communication |
| SPE 2600 - Intercultural Comm. (3 cr) | CASD 1619 - Intercultural Communication |
| SPE 2700 - Oral Interpretation (3 cr) | CASD 1714 - Oral Interpretation: Prose |
| SPE 2900 - Voice and Articulation (3 cr) | CASD 1110 - Professional Speech |
| SPE 4000 - Phonetics (4 cr) *Prior to Fall 2021 this KCC course was 3 credits | CASD 1113 - Articulatory Phonetics |
| SPE 4100 - Language Development (3 cr) *Prior to Fall 2021 this KCC course was 4 credits | CASD 2231 - Language Development: Birth to Age Five |

F. ARTICULATION AGREEMENT FOLLOW - UP PROCEDURES

1. Procedures for reviewing, updating, modifying or terminating the agreement:

The sending and receiving departments at each college commit to meeting regularly to review and revise this articulation agreement in response to programmatic, curricular, and disciplinary changes.

2. Procedures for evaluating agreement, i.e., tracking the number of students who transfer under the articulation agreement and their success:

We will use the CUNY Institutional Research Database will be used to our transferring students (i.e., progress, GPA, retention, and graduation).

3. Sending and receiving college procedures for publicizing agreement, e.g., college catalogs, transfer advisers, Websites, etc.:

This articulation agreement will be publicized on the KCC and BC websites. Transfer advisors at KCC will promote this agreement with eligible students, as will KCC's recruiters who work with potential students both in the high schools and in the wider community. When possible both programs will coordinate to provide information sessions to students on the subject of transferring either virtually or in person. Each fall and spring graduating majors in KCC-SP will be provided with early enrollment forms to facilitate their transition into BC-CSD.

G. Additional Information (e.g., financial aid, transfer scholarships)

The program in Communication Sciences and Disorders at Brooklyn College comprises three tiers. Students must complete all courses within a given tier before advancing into the next. Students must maintain a "B" average in major courses, with no grade lower than a C. No course may be repeated more than once.

KCC students must maintain a "B" average in major courses, with no grade lower than a C. Students who fail to maintain the grade minimum at KCC will be required to re-take the course(s) at BC in order to achieve a satisfactory grade.

Additionally, students who intend to pursue advanced degrees in speech-language pathology or audiology are encouraged to take courses that satisfy the American Speech- Language-Hearing Association (ASHA) Certification Standards. Courses in the areas of statistics (Psychology 3400 or its equivalent), physical sciences (Physics 1005/1100, Chemistry 1007 or an equivalent), and social/behavioral sciences (Psychology 1000 or its equivalent) are strongly suggested.

Tier 1 (20 credits):

All of the following: Communication Arts, Sciences, and Disorders 1113, 1176, 1178, 1179, and Linguistics 2001

One course from the following: Communication Arts, Sciences, and Disorders 1619, 1635, or 4666

Tier 2 (16 credits):

All of the following: Communication Arts, Sciences, and Disorders 2277, 2231, 2232, 2481, and 2482

Tier 3 (11 credits):

All of the following: Communication Arts, Sciences, and Disorders 3381, 4383 (prerequisite 3381), and 5275W
