

## Protect Your Computer! Download a FREE Copy of McAfee VirusScan with Built-in Spyware Protection.

CUNY has partnered with McAfee to offer all students, faculty and staff free Virus and Spyware for their personally owned computer systems. Whether you have a Mac or a PC, you can obtain for **FREE** the latest version of McAfee Anti-Virus for your computer. Every year tens of thousands of users fall victims to either Viruses or Spyware, don't become one of those victims. **“Protect Yourself”** by downloading for **FREE** a copy of McAfee Anti-Virus for either your Apple Macintosh or IBM PC computer.

Here is how to obtain your own Free copy:

1. Go to [WWW.CUNY.EDU](http://WWW.CUNY.EDU)

2. Enter your CUNY Portal Username and Password and Click Login

[Portal Log-in/Blackboard/eSIMS](#)

3. Enter your CUNY Portal Username and Password and Click Login

A screenshot of a login form. It has a light gray background. On the left, the word "Username:" is followed by a white text input field. Below that, "Password:" is followed by another white text input field. To the right of the password field is a blue button with the text "Log-In" in white.
