Video Presentations are short videos with a multiple choice question following each video. Each chapter has approximately 15-20 videos. This is mandatory and part of your grade.

LearnSmart is your e-book with key information highlighted for you and practice multiple choice questions. You can alternate between the reading and questions or the reading first and then the questions. The software will keep generating new questions if you get the questions wrong. It is accessed through the Connect software included with your e-textbook. This is mandatory and part of your grade.

Homework is review assignments from the Connect software included with your e-textbook. They can be accessed through blackboard and are graded automatically. This is mandatory and part of your grade. You have unlimited attempts.
