PATHWAYS: A.S. Degree Requirements: Mental Health and Human Services
GENERAL CONCENTRATION

College-wide requirements:

1-Pass CUNY reading and writing entrance exam and COMPASS Math skills test
2-One writing intensive course (participation in a learning community linked class) that includes ENG12 or ENG24 meets this requirement.
3-Two Civic Engagement courses (the internships MH9801 and MH9802 satisfy this requirement)

Total credits College-wide Requirements: 1 credit

Required CUNY Core:

ENG12 3 credits
ENG24 3 credits
ONE course from group: Mathematical and Quantitative Reasoning (see attached list of courses that satisfy this requirement) 3 credits
ONE course from group: Life and Physical Sciences (see attached list of courses that satisfy this requirement) 3 credits

Total credits Required CUNY Core: 12 credits

IMPORTANT: Some of the courses in the above groups (Math and Life/Physical Sciences) are FOUR credits. TAP counts only THREE of those credits for the requirement and the other credit as an elective. Therefore, if you are on financial aid and do NOT need an elective, make sure you are taking at least NINE required credits in addition to the three you receive for the math or science course during that semester in order to be covered by TAP.

CUNY Flexible Core Requirements:

You MUST take ONE course from each of the following groups, plus a SECOND course in ONE group.

IMPORTANT: If you are a mental health and human services major, the courses you need to take in Groups D and E (SOC31, PSY11 and PSY32) below are REQUIRED. If you take courses other than these three in Groups D and E, you will wind up with EXTRA courses that are NOT covered by financial aid and may not transfer.

Group A: World Cultures and Global Issues (see attached list of courses that satisfy this requirement) 3 credits
Group B: U.S. Experience In Its Diversity (see attached list of courses that satisfy this requirement) 3 credits
Group C: Creative Expression (see attached list of courses that satisfy this requirement) 3 credits
Group D: Individual and Society - MH majors MUST take: SOC31 Introduction to Sociology and PSY32 Human Growth and Development 6 credits
Group E: Scientific World - MH majors MUST take: PSY11 General Psychology 3 credits

Total credits CUNY Flexible Core: 18 credits

Mental Health and Human Services Program Requirements - GENERAL CONCENTRATION

PSY36 Abnormal Psychology 3 credits
CHOOSE ONE: Any Sociology or Psychology elective, ANT37, ANT39 or SAC20 3 credits
MH11: Introduction to Human Services 3 credits
MH30: Human Services Organizations 3 credits
MH31: Principles of Interviewing and Group Leadership 3 credits
MH34: Mental Health Practices with Vulnerable Populations 3 credits
MH35: Introduction to Gerontology 3 credits
MH9801 and MH9802: Supervised Instructional Experience in Mental Health (2 semesters of internship) 6 credits

Total credits Mental Health & Human Services program requirements: 27 credits

GRAND TOTAL OF CREDITS FOR REQUIRED COURSES: 58 credits
ELECTIVE CREDITS needed to graduate with total of sixty credits: 2 credits

TOTAL CREDITS FOR COMPLETION OF A.S. DEGREE: 60 credits
PATHWAYS: Understanding the CUNY Required Core and CUNY Flexible Core Requirements

All CUNY students entering after September 1, 2013 MUST take 30 credits from the Required Core and Flexible Core courses. The REQUIRED Core consists of 12 credits, and the FLEXIBLE Core consists of 18 credits, for a total of 30 credits.

HERE’S THE GOOD NEWS: When a student completes this 30 credit requirement at one CUNY college or university, the credits will AUTOMATICALLY be transferable and will meet the 30 credit core requirements at ANY OTHER CUNY COLLEGE OR UNIVERSITY!

IMPORTANT: there are several groups of core requirements and students must be careful to choose from the approved list of courses for each group in order to satisfy that group’s requirement. For example: as part of the Required Core, students must take a course in mathematics. HOWEVER, there are some mathematics courses that do NOT meet the Required Core requirements, such as MAT07 and MAT08. Here is a list of courses that students may take that will meet CUNY Required Core and CUNY Flexible Core requirements:

CUNY Required Core: TOTAL of 12 credits:

ENG 12 REQUIRED of all students 3 credits

ENG 24 REQUIRED of all students 3 credits

Life and Physical Sciences: select ONE of the courses listed below 3 credits

IMPORTANT: TAP only allows 3 credits toward this requirement, so if a course on this list has four credits, the fourth credit counts as an elective only. If you have already taken elective credits and are on financial aid, be sure you are taking at least NINE additional credits besides the four credit science course so that you are covered by TAP.)

BIO 100 Selected topics in biology
BIO 33 Introduction to modern concepts of biology
BIO11 Human anatomy and physiology I
BIO 12 Human anatomy and physiology II
BIO 13 General biology I
BIO14 General biology II
CHM 11 General chemistry I
CHM 12 General chemistry II
EPS 31 Meteorology
EPS 32 Oceanography
EPS33 Physical Geology
EPS35 Introduction to astronomy
EPS36 Planetology: A trip through the solar system
EPS38 Introduction to earth science
PHY13 Advanced general physics I
PHY14 Advanced general physics II

Mathematical and Quantitative Reasoning: select ONE of the courses listed below 3 credits

IMPORTANT: TAP only allows 3 credits toward this requirement, so if a course on this list has four credits, the fourth credit counts as an elective only. If you have already taken elective credits and are on financial aid, be sure you are taking at least NINE additional credits besides the four credit science course so that you are covered by TAP.)

MAT 400 Mathematical and quantitative reasoning
MAT 900 College algebra
MAT 14 Analytical geometry and pre-calculus mathematics
MAT 15 Calculus I
MAT 16 Calculus II
MAT 20 Elements of statistics
BA/MAT 22 Business statistics
BA/MAT 91 Biostatistics
CUNY Flexible Core: TOTAL of 18 credits: (One courses from each of the five groups and a second course in of the groups)

IMPORTANT: There are FIVE groups in the CUNY flexible core (Groups A, B, C, D, and E). HOWEVER, Mental Health and Human Services majors are REQUIRED to take SOC31 and PSY32 from Group D and PSY11 from Group E in order to meet the requirements of the major!

**Group A: World Cultures and Global Issues** 3 credits

- ANT37 Introduction to anthropology
- ARB 100 Elementary Arabic I
- ARB 200 Elementary Arabic II
- ART33 Survey of art history from ancient to renaissance art
- ART34 Survey of art history from renaissance to 19th century art
- ART37 Survey of non-western art
- ENG 32 World literature
- FR 100 Elementary French I
- FR 200 Elementary French II
- FR 57 Haitian culture and civilization
- HEB 100 Elementary Hebrew I
- HEB 200 Elementary Hebrew II
- HEB 300 Hebrew literature in translation
- HIS 31 Europe, Napoleon to Hitler, 1789 - 1945
- HIS 36 Europe in the 20th century
- HIS 44 The Nazi holocaust
- HIS 51 The ancient world
- HIS 53 Russian history: 1860 to present
- IT 100 Elementary Italian I
- IT 200 Elementary Italian II
- MUS 27 Music of the world's people
- PHI 77 Philosophy of religion
- PHI 78 Philosophy in Asian traditions
- PHI 79 Global ethics
- POL 52 Comparative government
- POL 75 Women in politics
- POL 93 Global politics
- SOC39 The sociology of religion
- SPA100 Elementary Spanish I
- SPA 200 Elementary Spanish II
- SPA 300 Intermediate Spanish
- SPA 400 Readings in Hispanic literature
- SPA 1800 Proper models of Spanish for native speakers
- SPA 3400 Spanish America: culture, art and music
- SPE26 Intercultural communication
- THA 6800 History of the theatre: origins to Jacobean

**Group B: U.S. Experience in its Diversity** 3 credits

- ART 47 History of American art
- ENG 48 American environmental literature
- HIS 100 American cities: an introduction
- HIS11 American civilization I
- HIS 12 American civilization II
- HIS 17 U.S. history in a global context: colonial thru civil war
- HIS 18 U.S. history in a global context: reconstruction to present
- HIS 20 The immigrant in American society
- HIS 21 Popular culture in America
- HIS 50 African American history
- HIS 59 Modern America: 1920 to present
- HIS 62 History of New York City
- HIS 68 Women in American history
- POL 51 American government and politics
- POL 54 The American presidency
- POL 55 American political parties
- SOC 32 Urban sociology
- SOC 36 Minority groups in the United States
- THA 67 History of the American musical theatre

**Group C: Creative Expression** 3 credits

- ART31 Survey of art history, prehistory to present
- ART 35 Modern art from 1880 to 1945
- ART 36 Modern art from 1945 to present
- ART 38 Renaissance art
- ART 39 History of women in art
- ART95 Modern architecture and the environment
- ART98 History of modern sculpture
- ENG 30 Introduction to literature
- ENG 40 Short fiction
- ENG 42 Poetry
- ENG 43 Drama
- ENG 65 Literature and film
- HUM 100 Modern humanities, arts and ideas
- MCF 40 Film: the creative medium
- MCF 43 Film genre
- MUS21 Introduction to jazz
- MUS 22 Music of the 20th century
- MUS 24 Opera
- MUS 30 Rudiments of theory
- MUS31 The musical experience
- PHI 75 The philosophy of the beautiful-aesthetics
- SPA 31 Readings in Spanish - American lit in transl.
- SPA55 History and civilization of Spain
- SPE 11 Listening and speaking skills
- SPE 21 Effective public speaking skills
- SPE27 Oral interpretation
- THA50 Introduction to theatre arts
- THA51 Play analysis

**Group D: Individual and Society** 6 credits: Required courses for Mental Health majors are SOC31 and PSY32

**Group E: Scientific World** 3 credits: required course for Mental Health majors is PSY11
