SPRING 2013 NURSING 19 STUDENTS

MINI 1 and MINI 2

The First Day of Class: Tuesday 02/26/2013 at 12:40pm. Please inquire about the room numbers where to meet with your Professors from the main nursing office room 401. Classroom and Clinical Orientations will be done on this day. All students are now required to complete and pass a dosage calculation exam the first week of school/classes. ALL students must have health clearance, malpractice insurance, and a valid CPR certification prior to the start of classes. Please retain a copy of each of these; some of the clinical agencies require a copy of this documentation for their records. Failure to have health clearance, malpractice insurance, and CPR certification will result in a clinical absence.

PLEASE CHECK CUNY FIRST for schedule of Lecture days and times for Nursing 19 section.

Classes Begin: Tuesday's from 12.40 P.M – 2.50 PM and Thursdays from 8.00-11.20.

Campus Lab: On Thursdays 12.00nn –4pm.

Clinical Hours: are from 8 to 4 pm and 4 to 12pm on Mondays, and Wednesdays . Under no circumstances should a Student go to Clinical without Classroom Orientation first.

Clinical Sites are: Brooklyn Hospital and Maimonides Medical Center, and Kings County Hospital, Coney Island Hospital. Additional hospitals may be added this semester. Please bear this in mind when
planning your work schedules and when choosing other courses. All students must have health

clearance, malpractice insurance, and a valid CPR certification prior to the start of classes.

The lists of the required paperwork for classroom and clinical are below, please have them available

for the first day of Class. They should be available at the Blackboard a week before the start of Class.

Required Paper Work for Clinical Area:

• Nursing 19 Syllabus

• Intrapartum Assessment,

• Nursing Postpartum Assessment,

• Newborn Assessment

• L&D Worksheet,

• Antepartum Client Assessment Guide,

• Student Guide for Antepartal Clinical Experience,

• Student Guide to Nursing Care in Labor.

ADDITIONAL INFORMATION TO REMEMBER:

• MANDATORY DRT TEST Mini 1 (Sections 01, 02, 03, 04, 05)

• MANDATORY DRT TEST Mini 2 (Sections 06, 07, 08, 09, 10)

• Dates for the DRT will be announced later

Looking forward to receiving you in the Spring.

Professor Catherine Olubummo

Course Coordinator
