Congratulations on your achievements thus far in nursing.

WELCOME TO PEDIATRIC NURSING

ALL students must have health clearance, verification of influenza vaccination (with Lot # & Expiration date), and a valid CPR certification prior to the start of classes. FAILURE TO HAVE THE ABOVE DOCUMENTS WILL RESULT IN A CLINICAL ABSENCE.

Please retain a copy of each of these; some of the clinical agencies require a copy of this documentation for their records. Make an extra Xerox copy of your CPR, Flu Vaccine, and Physical Exam report for the clinical agency files.

***Please Note: You are no longer required to purchase individual malpractice insurance as CUNY has purchased a policy that covers all nursing students.

Please make sure you filed your degree applications for June 2016. (deadline - April 14, 2016)

Make certain that you have completed the program AND college requirements.
