THE LIBERAL ARTS AWARD

Grateful
CHI NGAI TSE

My involvement with WGS began when I started at KCC; the program was a safe haven for students like myself. It is important WGS holds a place (both socially and intellectually) in higher education, especially for CC students. I want to thank Red for their work and dedication to the program and for giving me massive support here at KCC, as well as to my family and friends for encouraging me to speak out when needed.
