Medical Office Manager Program

KCC in partnership with CareerStep is offering the Medical Office Manager program. Medical office managers nationwide earn between \$46,200 to \$70,700 annually. The top 90% of Medical Office Managers earn \$84,500 annually.* The bottom line? You can make a good income with great job security and the potential for employee benefits.

See page 12 for more details.

Dental Assistant Program

KCC in partnership with CareerStep is offering the Dental Assistant program. Prepare for certification and kickstart a new career with online Dental Assistant training. According to the Bureau of Labor Statistics, the middle 50% of working professionals earn about \$37,630 a year, with annual raises and benefits.

See Page 13 for more details.

Physical Therapy Aide Training Program

KCC in partnership with CareerStep is offering the Physical Therapy Aide training program. Physical therapy Aides provide support to physical therapists and their patients. They help patients check in, set up equipment, and often record patient progress. Physical Therapy Aides are some of the most in-demand workers in the growing healthcare industry, with job openings expected to increase 29.2% in the next 10 years.

See Page 13 for more details.

Medical Scribe

KCC in partnership with CareerStep is offering the Medical Scribe program. Medical Scribes have become more and more common in medical offices.

See Page 14 for more details.

Business Budgeting for Beginners

In this comprehensive, beginner-friendly course, you will learn the elementary skills needed to be successful in the budgeting process and work your way up to creating a budget.

See page 16 for more details.

Property and Casualty

Beginning with general principles of risk management and insurance, this course will address the approved New York State Department of Insurance curriculum.

See Page 18 for more details.

Blockchain Fundamentals

This course provides a foundation in the underlying methodology of blockchain, including the roles of participants of mining, minting, and the algorithms that determine consensus.

See Page 19 for more details.

Legal Studies with CSL by BARBRI

KCC in partnership with CSL by BARBRI, is providing a menu of offerings in legal studies to include advanced paralegal, employment law, legal secretary and many more.

See Page 15 & 16 for more details.

Explore a Career in Healthcare Suite

The healthcare industry is booming. It is currently one of the fastest-growing industries in the United States and is expected to continue growing rapidly in the future. Many of the fastest-growing jobs don't even require you to be in a patient care role. Use this series to explore a career in several more healthcare administrative areas, including jobs as a Medical Coder, Medical Administrative Assistant, and Medical Transcriptionist.

See page 14 for more details.

Certificate in Food, Nutrition, and Health

In this informative course, you will gain a holistic view of current food and nutrition issues and their impact on physical, social, emotional, and spiritual health.

See Page 14 for more details.

Nutrition and Health Bundle

Nutrition has a profound impact not only on our health but also on our overall well-being. However, most people do not understand what foods they should eat, which diets are healthy for them, and where food comes from. This series is designed for healthcare workers, personal trainers, and individuals interested in a deep dive into the impacts of nutrition on our bodies.

See Page 14 for more details.

Certified Documentation Specialist

KCC in partnership with CareerStep is offering the Certified Documentation Specialist program. Get extensive training in medical terminology, electronic health records, medico-legal regulations, and HIPAA.

See Page 14 for more details.

Microsoft Excel Comprehensive

Microsoft Excel is one of the major software program skills necessary for most jobs. This course builds those skills from the ground up to help you prepare for the workforce.

See Page 17 for more details.

Life, Accident & Health Pre-Licensing

Pre-licensing training for Life, Accident and Health insurance testing prepares students for the state licensing exam through curriculum that meets the 40 hour pre-licensing requirement for New York State.

See Page 18 for more details.

Childcare Administration

KCC in partnership with CareerStep is offering this Child Care Administration course which has been designed by early childhood education (ECE) experts and experienced industry professionals. Childcare Administration jobs are on the rise, driven by tremendous need right now for quality child care nationwide. Burning Glass projects over 10% job growth over the next 10 years.

See Page 21 for more details.

TUITION OPTIONS

We strive to provide you with flexible payment plans so that you can focus on your education and career plans. Please call us and we will assist you in making the right choice.
Contact us at 718-368-5050 for more information.

SNAP (Supplemental Nutrition Assistance Program), please call (718) 368-4870 for eligibility and program requirements.

Tuition Reimbursement

The College will accommodate requests for letters of support for reimbursement.

Government Issued Vouchers

We accept most government issued vouchers. Please call (718) 368-5050 for eligibility and program requirements.

Student Loans

Students may arrange a private loan to help cover educational expenses for certificate programs. The College does not recommend any specific lender or preferred lender arrangement. We recommend thoroughly investigating your loan options before making educational financing decisions.

Tax Deduction of Expenses

An income tax deduction is permitted for expenses of education undertaken to maintain and improve professional skills. Please consult your accountant.

STUDENT SUPPORT SERVICES

We strive to provide you with the support and services you need so you can focus on your education and career plans. Please call us and we will assist you in making the right choice.

Contact us at 718-368-5052 for more information.

CENTER FOR CAREER DEVELOPMENT & EXPERIENTIAL LEARNING

The mission of the Center for Career Development & Experiential Learning at Kingsborough Community College is to provide career services to students and alumni through career exploration, professional resources and programming.

Career Advisors are available to give students individualized assistance to develop career goals including help with choosing a major, internships, workshops, and job search assistance. The Center offers workshops to students throughout the semester on a variety of career-related topics, including, but not limited to resume, interview, workplace etiquette and networking.

In addition, the office provides a multitude of programs and events, such as job fairs, on-campus recruitment and information sessions, which allow students to explore various career opportunities.

Stay up to date regarding upcoming workshops and events with our weekly newsletter: <http://www.kbcc.cuny.edu/career/documents/C102.pdf>

ACCESS RESOURCE CENTER

Kingsborough Community College's Access Resource Center, the nation's first at a community college, is your one-stop place to get connected to government benefits and resources. Whether it's childcare, SNAP, clothing, or transportation, you can get a referral for what's available to you – where you live and when you need it.

Call 718-368-5411 or 6713.

They offer benefit screening, legal consultation, financial consultation and tax preparation too!

Additionally, they coordinate:

- Distribution of FREE vegetables grown on campus at the KCC Urban Farm
- Distribution of FREE food staples at the KCC Food Pantry
- Clothing donations
- Assistance with recertification of benefits
- Assistance obtaining other government resources and so much more!

TRAINING AND CAREER GUIDANCE

Unsure about what training or career best matches your skills?

At Kingsborough Community College, you can set your sights on the future you want!

Whether it is becoming a paramedic or UX designer, we have the certificate training programs for anyone who wants to find a new career pathway. With Future InSight, we can help you map out the steps you need to achieve your career goals. You may know exactly which job best matches your skills or maybe you are curious about a certain industry. We can help guide you to where you want to go.

Visit our site by clicking here!

ACCOMMODATIONS & ACCESSIBILITY

Requests for accommodations must be submitted with documentation of disability. Submit requests and documentation in advance of your class start date to ensure that reasonable accommodation requests can be processed in a timely manner. Accommodations may take 3-4 weeks to process.

Please contact Vickie DiMartino at 718-368-5669.

College Administration, in cooperation with NYCT Paratransit, has established 3 specific Access-A-Ride (AAR) stops at Kingsborough Community College. Each of these locations has specific GPS coordinates along with signage to aide in the successful connection of the AAR vehicle/driver and customer.

If you experience any difficulty during the reservation process, please ask to speak with a supervisor. Access-A-Ride 1-877-337-2017 / 718-393-4999

THINGS YOU SHOULD KNOW

Continuing Education courses are designed for adults 18 years of age and older with the exception of the College for Kids Program, College for Teens, and the SAT/ACT Test Preparation. Programs, requirements, tuition fees and classes are subject-to-change without advance notice.

TEST PREPARATION

Prepare for admissions and placement tests online with our experienced instructors!

Our test prep programs are affordable and accessible.

We offer a variety of practice materials, with high quality test simulations, designed to help students better understand the material and perform their best on their test!

SCHOLASTIC ASSESSMENT TEST PREP (SAT)

RTP 01 - SAT Preparation \$325

Tuesday / July 5 - Aug 23 / 12pm-4:30pm

ON CAMPUS

An intensive course for high school students preparing for the SAT. Certified instructors provide review and practice under simulated test conditions to help prepare students for the verbal reasoning, optional essay portion, and problem-solving skills measured by the revised test. Study skills, coaching and test-taking tips are provided, as well as individual and group conferences with a certified college counselor. A workshop for parents and guardians is included in the last session.

RTP 02 - SAT Math Preparation \$175

Monday / July 11 - Aug 15 / 1pm-4pm

ONLINE

An intensive MATH ONLY course for high school students preparing for the SAT exam. Instructors provide review and practice under simulated test conditions to help prepare students specifically with the MATH component of the exam. Students will explore study skills while receiving coaching and test-taking tips.

HEALTHCARE INSTITUTE

The Healthcare Institute is a division of Kingsborough's Office of Continuing Education, offering a dynamic set of certificate programs and stand-alone courses. All are designed to provide students with essential skill sets necessary for today's burgeoning healthcare industry. With decades of experience and training, our faculty provides high quality instruction across all the disciplines. Students who successfully complete certificate programs at the Healthcare Institute are eligible to take the National Healthcare Association's certifying examinations, which are nationally recognized credentials in the Allied Health industry. Tuition for healthcare courses excludes textbooks, uniforms scrubs/lab coats, exam fees and CPR/BLS certification unless otherwise noted.

IN-DEMAND HEALTHCARE PROGRAMS

Below is the breakdown of the courses needed within the in-demand healthcare programs.

PHLEBOTOMY

CTF 91 - Phlebotomy Procedures \$450 HYBRID

To be offered in Fall 2022

This course provides theoretical and laboratory preparation for entry-level performance as a phlebotomist. It focuses on vascular anatomy and physiology; performance of venipuncture techniques, and additional responsibilities of phlebotomists as members of the healthcare team. **Prerequisite: CTF 20 Anatomy & Physiology.**

Live needle sticks performed. Students must sign an *Assumption of Risk*. *Six (6) in person labs required. Dates and times to be provided during class.* **White lab coat required. Lab fee: \$60**

PATIENT CARE TECHNICIAN

CTF 93 - Patient Care Technician Intensive \$825 HYBRID

To be offered in Fall 2022

Study includes comprehensive instruction on vascular anatomy and performance of venipuncture techniques. Students will also learn and practice performing EKGs and basic terms associated with cardiovascular system, anatomy and physiology. This course is for Certified Nurse Aides only. Live needle sticks performed. Students must sign an *Assumption of Risk*.

Six (6) in person labs required. Dates and times to be provided during class.

White lab coat required. Lab Fee \$60

BRIGHT OUTLOOK

Employment of patient care technicians is expected to grow rapidly in the next few years. Becoming a patient care technician is a strong career move that will open professional doors throughout the course of your life. PCT training will prepare you to get licensed and certified to operate an electrocardiogram machine in addition to being a phlebotomist.

Salary: \$37,960-\$50,900

Job projections thru 2028: +12%

Rapid Growth; Numerous Job Openings.

CENTRAL STERILE TECHNICIAN

CTF 98 - Central Sterile Technician \$900 HYBRID

Tues - Wed - Thurs / July 12 - Aug 30 / 5pm-9pm

This course, facilitated by an IAHCSSM (International Association of Healthcare Central Service Material Management) Instructor, will provide you with the knowledge and skills required to work in a Central Supply/Sterile Processing Healthcare facility. Additional hours to be assigned when class is in session. *Three (3) in person labs required. Dates and times to be provided during class.* **Lab fee: \$60**

Students are responsible for securing CST hands-on training necessary to meet 400-hour certification requirements.

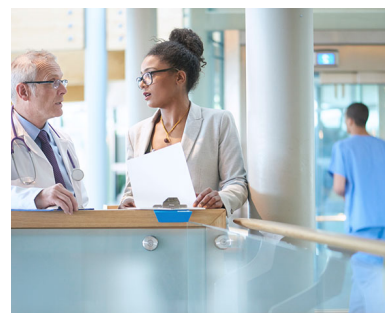

NEW

HEALTH COURSES FROM KCC @ ED2GO

Explore a Career in Healthcare Suite \$299 ONLINE

The healthcare industry is booming. It is currently one of the fastest-growing industries in the United States and is expected to continue growing rapidly in the future. Many of the fastest-growing jobs don't even require you to be in a patient care role. Use this series to explore a career in several more healthcare administrative areas, including jobs as a Medical Coder, Medical Administrative Assistant, and Medical Transcriptionist. By the end of the series, you will have a good understanding of a career in healthcare and which specific role is right for your future. (72 HOURS)

Certificate in Gerontology \$150 ONLINE

Prove you have the skills required to meet the health care needs of an aging population. This course will deliver the information you need to work with people over 65 including assessing and managing pain, common issues of aging, dealing with elder abuse, mental health, and death and dying. The Certificate in Gerontology represents a specialization in the field of gerontology. It is designed to enhance the knowledge and skills of individuals who work with or care for older adults by providing an educational experience that is multidisciplinary in nature. (25 hours)

HIPAA Compliance \$115 ONLINE

If you are just starting your career in the health care field, HIPAA Compliance training is a priceless addition to your resume. This course provides an understanding of the compliance requirements of HIPAA, and subsequent rules and laws that affect HIPAA.

Nutrition and Health Bundle \$169 ONLINE

Nutrition has a profound impact not only on our health but also on our overall well-being. This series is designed for healthcare workers, personal trainers, and individuals interested in a deep dive into the impacts of nutrition on our bodies. You will gain insight into how food interacts with our bodies on multiple levels—physical, mental-emotional, and spiritual—as well as the impact it has globally. You will also explore the relationship between nutrition and disease and see how making appropriate changes in one's diet can have powerful effects on health throughout life. (28 HOURS)

Become an Optical Assistant \$115 ONLINE

Learn why optical assisting is such an interesting job and how rewarding it can be to help people solve their vision problems. This course is a great way to start your career as it will help you better understand everything that's involved in the job and how you can become certified and licensed optical assistant. You'll take a comprehensive look at the diverse world of optical assisting. (24 hours)

CAREER AND PROFESSIONAL DEVELOPMENT

If you are considering a career move or are ready to advance within your field, we offer learning opportunities through career and professional development. Our experienced faculty and industry specialists will help direct you on your chosen path to accomplish your goals. We are committed to life-long learning and will serve as a resource guide to your success.

PARALEGAL & NOTARY PUBLIC

Students must complete all required courses in the Paralegal & Notary Public program to receive a completion certificate.

CTF 05 - Paralegal I & Notary Public \$475

To be offered in Fall 2022

This course is an introduction to the practical aspects of being a paralegal, including filing, legal proofreading, legal draftsmanship, legal research, and other office skills. Mandatory Notary Public session on 7/28/22 and is included in the above tuition cost.

CTF 06 Paralegal II \$425

Tues - Wed - Thurs / July 12 - Aug 24 / 6:45pm-9:45pm ONLINE

This course deals with the computer and the essential part it plays in paralegal training. Topics include computer legal research, legal keyboarding, and understanding language and terms used by attorneys in order to be a well-trained and successful paralegal.

Prerequisite: CTF05. *Materials fee: \$75

*The materials fee provides students with an individual password for access to the Westlaw Legal Library, which offers a wide range of federal and state law resources. In addition, students will be provided with the analytical materials to become familiar with the aspects of legal research, law reviews, federal treatises, jurisdictional treatises, practice guides, jury instructions, litigation forms and analytical materials from all 50 states.

VTP 36 Preparation for Notary Public \$75

Thurs / July 28 / 6:45pm-9:45 pm ONLINE

This one-session course prepares you for the Notary Public Examination, provides an overview of the tasks undertaken by a Notary Public, and offers guidance in positioning yourself to provide this service on a fee-for-service basis.

CHILDCARE ADMINISTRATION

Childcare Administration Program / \$3,999 ONLINE

KCC in partnership with CareerStep is offering this child care administration course which has been designed by early childhood education (ECE) experts and experienced industry professionals. You'll gain the skills, knowledge, and best practices needed for teaching young children, working in child care centers and preschools, and running your own home-based business. Our comprehensive curriculum trains you on child development and education, health and safety, nutrition and food management, parent and family relations, and child care center management. Because our program is aligned with the Child Development Associate (CDA) certification, you'll be ready to take and pass the exam immediately upon completing your training. [Click here to register and learn more!](#)

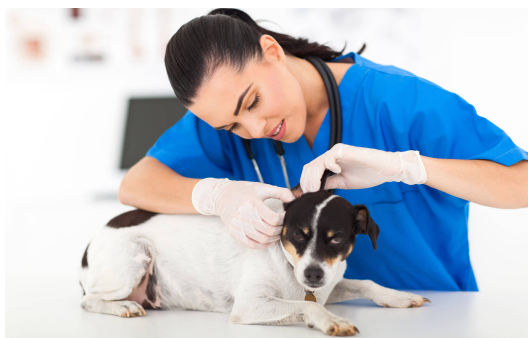

Students must complete all required courses in the Veterinary Assistant program to receive a completion certificate.

VETERINARY ASSISTANT

CTF 15 / CTF 16 - Veterinary Assistant Intensive \$900 ONLINE
Mon - Thur / July 11 - Aug 30 / 6pm-10pm

This intensive series provides the four courses that are designed to prepare you for a career in animal care. This program includes veterinary terminology, medical and surgical procedures, office administration functions, becoming a vital part of the animal care team and more. This program also focuses on client communications, best practices in animal care, and the roles of each member of the animal care team.

Note - Some required class hours will be held at an off-site animal care facility.

Note - A minimum of 20 hours are required to be completed at an animal care facility. Students are responsible for securing a facility at which they can volunteer to complete these hours. Documentation of completion will be required. *Instructor may waive this requirement dependent on individual students experience and course academics.*

BUSINESS OF MUSIC

METAGENOMICS AND LARGE DATA SETS ANALYSIS

CTF 125 Metagenomics Discovery Challenge \$325 ONLINE

Tues & Thurs / Aug 2 - Aug 30 / 12:30pm-2:30pm

Metagenomics Discovery Challenge (MDC) – is a certificate-based course. The course is offered online and it will be using *Team-Based Learning* and *Open Educational Resources*. It doesn't have any prerequisites, but a background in biological sciences or computer science would be helpful. Students will learn to do bio-surveillance on metagenomic datasets, identifying fungal (and other micro-eukaryotic), bacterial, archaeal, and viral sequences within these datasets. This will reinforce the fundamentals of computational biology utilizing the Next Generation Sequencing (NGS) technology and computational tools important in determining metagenomics data sets. At the end of the course, students will create a 3-5 minute video using available resources to explain the tools they've learned, the importance of viral discovery, and antibiotic resistance, and their discoveries.

For more information please contact: Professor Dr. Dmitry Brogun - Dmitry.Brogun@kbcc.cuny.edu.
