Revised/Oct.2013
Spring 2015 Curriculum Committee

Proposed: Change in Course Title and Course Description for:

TAH 5200: Hospitality Technology

From: TAH 5200: Hospitality Technology

Survey of critical technology components in hospitality and food services. A basic understanding of these systems and their application to each industry through workplace simulations and online activities. Hotel property management software is taught and food service purchasing simulations are practiced.

To: TAH 5200: Hotel Property Management Systems

Survey of hotel property management systems and their importance to hotel operations. Students obtain a basic understanding of these systems and their applications to the hotel industry through workplace simulations, role plays, and online activities. Opera, property management software is primarily taught. Additional property management systems may be surveyed.

Rationale: Changing the title and description for TAH 5200 more accurately reflects the content of what is taught in the course, and is specific to the hotel industry.
