NO POSTERS FOR 440

Fall 2014 Curriculum Committee

HE 4000, Drugs: The Individual and Society

FROM: HE 4000

TO: HS 4000

Rationale:

The faculty are preparing to submit this course, Drugs, the Individual and Society, for the Pathways Flexible Core. The precedent for this is Laguardia C.C. where this course is approved under Core D, Individual and Society. At Laguardia this course is within the Health Sciences Department that includes Health Education faculty among other faculty who teach health related disciplines, including Nursing and Mental Health. The Laguardia course has a Health Science designation (SCH) rather than a Health Education designation. To eliminate this one technical barrier to the acceptance of KCC's Human Sexuality course for the Flexible Core, it is proposed to change the designation from HE (for Health Education) to HS (for Health Science).
