Renewal 9am-1pm $35

Fri Apr 15 OR

May 20 OR

June 10

Sun Apr 10 OR

May 15

June 5

Call 718-368-5050 for additional dates.

This highly interactive course provides the skills to recognize and provide care in respiratory and cardiac emergencies, using the latest 2010 AHA guidelines, to teach adult, child and infant cardiopulmonary resuscitation (CPR) and automatic external defibrillator (AED) use. Upon successful completion, you will receive a BLS HCP card issued by AHA, valid for two years.

Students are responsible for studying the required textbook prior to class. Information for textbook retrieval will be given upon registration.

**CTF 90**

EKG/ECG Technician (T) $245

Mon-Wed 6:45-9:45pm

Apr 11-June 8 OR

Sat 9am-2pm

Apr 9-June 18

This course provides opportunities to learn and practice techniques employed by EKG/ECG technicians, while learning many of the basic terms associated with cardiovascular, anatomy and physiology.

Prerequisite: CTF 20 Anatomy & Physiology

For Patient Care Technician for CNA certificate, CTF 93 Introduction to Patient Care Technician is the pre-requisite.

Materials fee: $20

White lab coat required (purchased separately) not included in materials fee.
