
Urban Farming

The Kingsborough Urban Farm is a high production, year-round site on the Kingsborough campus with a hoop house and a composting system.

NHB 46

[Intro to Organic Vegetable Gardening](#) **\$100**

Wed 5:30-8:30pm

May 4-June 22

This course covers all of the basics of urban gardening from soil to seed to table. Start your own edible plants from seed and delve into pest management, soil science, and more at the KCC Urban Farm. Learn basic skills such as soil conditioning, crop planning, composting, planting, and harvesting to get on your way to producing your own fresh herbs, greens, fruits, and vegetables. This course also covers finding land for gardening in NYC and building a garden from scratch.

Materials fee: \$15
