Course Descriptions

Art Attack

Learn how to craft wearable art with embellishments, paints, and other mediums.

Basketball

Learn the basic skills, rules and tactics of basketball.

Book Club

This class will enhance your ability to discuss what you've learned in an interactive reading community.

Build Your Own App

Learn the essentials of building your very own app using basic program language.

Code Blue

Learn how to prevent injuries and when to give first-aid through kid friendly activities.

Creations in Clay

Work with clay to create ceramic pieces. Translate your idea into a work of art.

Film Academy

You will have the opportunity to be the director, the editor, the screen writer, or the actor in your very own film.

Fishing

Learn the fundamentals of fishing and identifying different types of fish.

Flag Football

Have fun playing this non-contact football game.

International Explorer

Learn fun facts including phrases, food, locations and practices of various cultures.

Languages

Travel the globe learning the art of language such as Spanish, French, Hebrew, sign language and more.

Let's Move

Learn fun ways to stay active with aerobic activity and games.

Mad Scientist

Experience life as a scientist in a lab full of bubbling potions and mechanical marvels.

Math Games

Math is presented in a fun, non-threatening fashion to increase comfort levels and understanding of the subject.

Murder Mysteries

An elementary introduction to detective science involving riddles, crime solving, case-breaking activities.

Piano

Learn to play songs on the keyboard in this fun introductory piano class.

Prep to Plate

Learn how to make healthy, fun and easy meals. Learn how to make favorites like pizza, ice cream and mac and cheese.

Rock Star

Use the power of technology to create your own songs and soundtracks, explore the basics of song composition and track editing.

Sea Around Us

Learn about fish, sharks, and the deep sea. You will visit KCC's aquarium and see actual sharks.

Soccer

Learn the basic skills, rules and tactics of soccer. Practice kicking, trapping, passing the ball and shooting. You must wear sneakers.
