92nd Street Y and Kingsborough Community College Specialty Summer Camp Experience For ages 11-14 years

This summer, two great educational and cultural institutions join together to offer the best combination of instruction and recreational activities in a safe and convenient location: Summer Specialty Camp Experience at Kingsborough Community College.

- ★ VIDEO GAME DESIGN
- ★ SEA, SCUBA AND SAILING
- ★ FILMMAKING
- ★ THEATER ARTS AND TECH PRODUCTION

92nd Street Y and Kingsborough Community College have designed four specialized summer camp experiences for adolescents aged 11-14. Each program will combine the finest in instruction, use of professional labs, studios and outdoor facilities, and incorporate recreational activities for a fun and enriching camp experience. We invite you to participate in a unique summer opportunity to grow, learn, and be inspired.

About Our Camps:

Each camp will run for three weeks from:

July 31 - August 18.

Camp hours: 9:30 am - 4:30 pm

Professionally trained instructors

In addition to four (4) hours of instruction for each camp intensive, we will include:

- Recreational Sports*
- Fine Arts and Crafts*
- Daily Swims*

CYK 01 Filmmaking Camp **\$1,950**

Place a camera into your own hands and begin shooting! Through full "hands-on" immersion in the filmmaking process, you will learn the fundamentals and process of making a short film. Topics will include: directing, casting, shooting, sound design, editing, and acting before a camera. Learn how a film is developed, from conception to realization, from a film industry professional.

CYK 02 Video Game Design **\$2,175**

If you love video games and can imagine creating them, this program is for you! Learn the fundamentals of game design, such as: story-boarding, character development, design essentials and authoring software. Examine the different genres of gaming and their unique characteristics, and use these skills to develop your own 2D and 3D game ideas.

CYK 03 Theater Arts and Tech Production **\$1,950**

Are you wondering what it takes to land your next dream role? Perhaps you are a "behind the scenes" person who enjoys creating scenery and costumes. This program is designed to give participants the opportunity to gain a comprehensive understanding of theater production. Learn how to ace an audition, and improve your singing, dancing and acting skills. Discover how scenery and costumes are designed, and use our shop and tools to create your own piece of scenery! This program is geared to those who are interested in knowing what goes on behind the scenes. Special guests will be invited to talk about directing, performance and technical aspects of theater. Participants will attend a Broadway production, and perform a short piece.

CYK 04 Sea, Scuba, and Sailing **\$1,950**

Take the plunge and discover the beauty and mysteries of what lies beneath the sea. Explore the marine environment through lab studies, earn a junior open water scuba diving certification, and learn sailboat handling in local waters. Scuba and sailing instruction will be taught by certified licensed professionals. You must be 12 years of age to earn a junior scuba certification. There is an additional \$100 fee for an optional open water dive for junior certification.
