# P/SAT TEST PREPARATION

Most colleges and universities require applicants to take a three-hour standardized entrance examination called the SAT.

College-bound students must present evidence of academic promise, and the SAT test can be helpful in gaining acceptance.

A test of this significance should be taken seriously. Come to Kingsborough Community College to receive the most thorough test preparation available!

Kingsborough Community College's Office of Continuing Education has developed a dynamic test preparation course for both the PSAT and SAT. The course will help you approach the test with a confident and positive attitude! Instruction includes a full review of all the verbal and math topics on the SAT, including:

## VERBAL & WRITTEN SKILLS

- Vocabulary in Context
- Literal Comprehension
- Grammar and English usage
- Sentence Completions
- High Frequency Word List
- Sources of SAT Reading Passages
- Suggested Reading List
- Written English
- Extended Reasoning
- Critical Reading
- Preparation for the Essay Component

- Math Fundamentals
- Algebraic Manipulation
- Algebra II
- Geometric Reasoning
- Graphing Equations (Grid-in questions)
- Interpretation of Data
- Quantitative Comparisons
- Problem Solving
- Applied Math Questions

## MATH SKILLS

- Review
- Study Habits
- Test-Taking Approach
- Self-Confidence
- Controlling Anxiety
- Simulation of Actual Testing Conditions

## TEST SKILLS

The SAT test may be the most important test that you ever take, as your SAT results can affect which college you attend. High SAT scores will help you get into the college of your choice.

When you take the test, you will want to feel completely prepared, calm and ready for success.

This class will help you approach the PSAT/SAT tests with a very confident and positive attitude. You will:

- Become familiarized with the format of the test and proven test-taking techniques
- Review the test directions
- Take diagnostic exams, using the SAT format, under simulated test conditions
- Receive an analysis of each score
- Gain practice in essay-writing (required on the SAT)

### Kingsborough...Brooklyn's only Community College!

Kingsborough Community College's Office of Continuing Education designed this program with classes that are deliberately small to allow for intensive individualized instruction from our expert faculty. There are individual and group sessions with certified counselors who specialize in college advisement, financial aid and scholarships.

The last session of each course is open to family members looking for more information and personalized consultation. Remember, our training will help you perform and score higher on the PSAT and SAT standardized tests.

#### RTP 01 P/SAT Preparation (T)

\$285

#### **Tuesdays and Wednesdays: 6:30 - 9:30 pm**

An intensive course for high school students preparing for the **October 4, 2008 SAT** and **October 15 or 18, 2008 PSAT** tests. This course provides expert advice and instruction. Certified instructors provide review and practice under simulated test conditions to help prepare students for the verbal reasoning, essay portion, and problem-solving skills measured by the test. Study skills, coaching and test-taking tips are provided, as well as individual and group conferences with a certified college counselor.

**July 1 - August 12**

**First Class: Tue., July 1**

Please bring your test-prep book to your first class. The book is available at the Kingsborough Community College bookstore located near the cafeteria.
