The columns to the right display the amount disbursed for a particular **Award Description**. Certain types of aid such as Pell and single semester loans have multiple disbursements per term. The number under the **Disbursements/Disbursement Status/Disbursement Date** column indicates which disbursement in the term it is.

If the aid has already disbursed, the date that the disbursement occurred to your CUNYfirst account is displayed.

Certain types of aid, like Federal Direct Loans, have an origination fee that is deducted from the loan at the time of disbursement, the amount deducted will appear under the **Fees** column. The **Net Award** column indicates the total amount available to be disbursed to your CUNYfirst account after loan fees are deducted.

**Note:** The scheduled disbursement dates listed represent the **earliest date** those disbursements can occur on your CUNYfirst account. Your actual disbursement date may be different if your eligibility for that type of aid or packaging of that aid occurred after the first scheduled disbursement date.
