

# Kingsborough Community College Strategic Priorities

## (College Council Resolution – November 29, 2011)

WHEREAS, Kingsborough Community College continuously strives to support student progress and achievement, to offer general education and major programs that will allow students to achieve their goals, to provide a range of services to students, and to wisely manage the resources available;

and,

WHEREAS, The College supports an atmosphere that embraces and promotes academic excellence, student, faculty and staff diversity, and innovation.

BE IT THEREFORE RESOLVED, That the College's strategic priorities be updated as follows:

- Continue to consider ways to increase student success in the developmental sequence, including use of technology.
- Increase opportunities for civic engagement, student research, internships, and field experiences, and explore new models for economic and workforce development.
- Provide adequate resources to enhance and maintain facilities, and provide appropriate instructional spaces.
- Improve communication with students in the developmental sequence regarding financial aid, course sequences in their majors, and possible obstacles they may face.
- Develop strategies to assess and improve student learning throughout the College.
- Continue to develop technology for instruction, including online and hybrid courses.
- Increase support for faculty grant writing and mentorship.
- Continue to develop new allied health programs.

Explanation: These priorities were identified at a gathering of 135 faculty, administrators, and staff who participated in the prioritization of potential strategic goals.
