Note: This Academic Plan is subject to change based on successful completion of any prerequisites and/or remedial course work required.

As a student who is part of the Access-Ability Services, I know that I am advised to return to room D-205 for any course modifications or to discuss accommodations.

All students enrolled in special programs should also consult with their program advisor for future planning.

_____I have read and understand that this is what I need to satisfy my degree requirements.
