

Kingsborough Community College, CUNY
Department of Health, Physical Education and Recreation
Community Health Program

COH 20 - Community Health Interventions Professor José Nanín

Spring 2012

Honors Contract

Students **with a 3.2 or higher GPA and/or in the Honors Program who commit to doing the extra work required to earn Honors credit for the course** will be granted a Service-Learning Opportunity for Honors credit. If you are enthusiastic and capable of doing the following, please speak with me (Dr. Nanín) about doing this Honors Project.

Service Learning (SL) Experience

Students will become involved with a community health organization, learn about its mission and explore, in-depth, the design, implementation and evaluation of one specific intervention used by that organization.

- First , go to this link on the KCC Website:
http://www.kbcc.cuny.edu/service_learning/Pages/default.aspx .
 - Read about Service Learning. Contact Mandy Fraley, the KCC Service Learning Coordinator. Her contact information is on the webpage.
 - Set up a time and date to meet with her to discuss the various options you have available for your SL experience. You need to look at options that will allow you to do **a minimum of 20 hours of SL work** at the agency/organization you choose.
 - After you have completed this step, set up a date and time to meet with me (Dr. Nanín) to discuss the option(s) you chose and next steps.
- Assignments:
 - Service Learning Report – Write about the agency and its mission, a description of the project you were involved in, and your experiences doing this assignment (minimum 5 complete pages)
 - I. Due on date determined by Honors Program***
 - Service-learning experience presentation to full Community Health Interventions class followed by a Question and Answer period
 - I. Due on date determined between you and Dr. Nanín***

Students who receive a grade of B+ or higher for this additional work **and** as their final grade in the course will receive an Honors notation on their transcript.
