**Psychological Crisis**
A psychological crisis exists when an individual is threatening harm to himself/herself or to others, or is out of touch with reality due to a severe drug reaction or a psychotic break. Hallucinations, uncontrollable behavior, or complete withdrawal may manifest a psychotic break.

1. To report a psychological crisis call the Department of Public Safety at x7777 and tell the officer the following:
   - Your name
   - Your location
   - The nature and location of the incident
   - Clearly state that you need immediate assistance

2. If it is safe to do so, stay on the line until an officer arrives.
3. Never try to deal with a potentially dangerous situation by yourself. Report any suicide attempt to the Department of Public Safety so that the proper procedures may be followed in order to ensure the safety of the victim.
