KINGSBOROUGH
COMMUNITY COLLEGE

Kingsborough Community College is the leading point of entry for Brooklyn students pursuing higher education.

More than half a million students have attended Kingsborough Community College since it opened its doors in 1963. On an annual basis, some 20,000 credit students and an additional 15,000 continuing education students come to Kingsborough to pursue their dreams of higher education and to create better lives for themselves and their families.

Among the more than 1,100 community colleges nationwide, Kingsborough ranks in the top 5% in awarding associate degrees. And, mirroring the ethnic diversity of the community which it serves, the college ranks in the top 3% in the number of degrees awarded to minority students.

Kingsborough gave me the skills and confidence to continue my higher education and to be successful in the career of my choice.

—MARYSE ETHEART MAGUET

Director of Continuing Education and Professional Studies
Coney Island Hospital
Class of '74

The top two reasons that students attend Kingsborough Community College are to prepare for transfer to four-year colleges and universities and to prepare for jobs and career advancements. The vast array and quality of programs and course offerings, the excellence of the faculty, and the inexpensive tuition contribute to a student-centered learning environment for both the traditional high school student as well as the non-traditional adult learner.

Kingsborough Community College Foundation, Inc., established in 1982, is a charitable 501(c)(3) organization that exists solely to benefit Kingsborough Community College. Funds are used to provide student scholarships, enrich the student learning experience and build the college's endowment for future generations.

Please help our students' dreams come true by considering a tax-deductible contribution of cash, equipment, stock options, and/or a deferred gift to Kingsborough Community College Foundation, Inc.
