2015- 2016
SATISFACTORY ACADEMIC PROGRESS APPEAL

In order to receive Federal Student Aid, all students are required to maintain Satisfactory Academic Progress (SAP.) You are on financial aid suspension because our records show that you have failed to meet one or all of the SAP requirements:

<table>
<thead>
<tr>
<th>GPA</th>
<th>• A student must achieve at least the minimum cumulative GPA based upon their total number of attempted credits (See SAP chart on reverse)</th>
</tr>
</thead>
</table>
| PACE | • A student must complete their program of study within 150% of the standard timeframe required to earn their degree  
• A student must successfully complete a minimum number of credits based upon their total number of attempted credits (See SAP chart on reverse) |

You may appeal your suspension by completing and submitting this Appeal form to the Financial Aid Office. Appeals are evaluated for extenuating circumstances only, such as serious illness, as well as the ability to meet the SAP standards within reasonable time. All appeals are evaluated on a case by case basis.

SAP APPEAL PROCESS

1. Submit this appeal and supporting documents to the Financial Aid Office (U201.)
   • Failure to submit supporting documentation will result in a denial of your request.
   • Supporting documents must be copies only! Documents will not be returned!
2. Your appeal will be reviewed by a Committee. Please allow at least 15 business days (longer during peak periods) for the Committee to evaluate your appeal.
3. The notification of the decision will be sent electronically, to the email address provided on the appeal.
4. If your appeal is Conditionally Approved, you must meet with a Financial Aid Counselor to make an academic plan. An academic plan assists you in meeting SAP requirements. Once you are placed on an academic plan your appeal will be approved. You will be eligible to receive federal student aid provided that you meet all the terms and conditions of your academic plan.
   If your appeal is denied, you will be not eligible for Federal Student Aid, such as the Pell Grant. You will need to seek alternative financial resources.

*** Submission of the appeal does not guarantee approval. Students are responsible for their tuition and any late fees regardless of their financial aid status.
