WEEKEND COLLEGE

SCHEDULE OF CLASSES

**FRIDAY, SATURDAY AND
SUNDAY**

**Kingsborough
Community College**

The City University of New York

2001 Oriental Boulevard

Manhattan Beach, Brooklyn, NY 11235

718-368-5686

WEEKEND COLLEGE PROGRAM

What is the purpose of the Weekend College Program?

The Weekend College Program serves an integral role in the college's educational offerings. Individuals who are unable to attend courses during the day may pursue part-time and/or full-time studies on Friday evenings, Saturdays and Sundays. When classes are in session during the twelve week semester, the Office of Academic Scheduling (A-113) is open weeknights Monday through Thursday until 10:00pm, Fridays until 8:30pm, and on Saturdays and Sundays from 8:30am to 4:30pm. Office hours differ during the module; please consult the Schedule of Classes.

Who attends the Weekend College Program?

There are different populations of students who attend the Weekend College Program, such as adults seeking education for new career or career enhancement, parents planning to return to the work force, senior citizens (New York State residents 60 years of age and over), veterans, and others. Any student who is registered at the college is eligible to take weekend courses.

When are courses given during weekends?

Weekend courses are offered on Friday evenings from 4:00pm to 10:00pm and on Saturdays and Sundays from 8:30am to 5:00pm. Please consult the current Schedule of Classes for a complete listing of day, evening and weekend courses.

What are the Programs of Study?

Courses in liberal arts, the humanities, business administration, early childhood education, computer information systems, travel and hospitality, and the sciences are available on weekends. A Liberal Arts degree can be earned solely weekend study. Certain curricula are offered only during the Day session. Weekend students who are interested in a particular degree program may begin their studies during the weekend and transfer to the Day Program in order to complete the required courses. In addition, they may take Distance Learning or online courses as long as they meet the requirements. Weekend students who are contemplating a change in their program should visit the Academic Advisement Center (M-101) and speak to an advisor to learn about the degree programs that are offered by the college. Any inquiries concerning the Weekend College Program please send email to weekendcollege@kbcc.cuny.edu.

What if I have a question regarding eSIMS?

You may contact the eSIMS Help Center by telephone, 718-368-6551 or by email eSIMShelp@kbcc.cuny.edu. The mission of the eSIMS Help Center is to provide real-time support to students as they navigate the CUNY/eSIMS online registration system. Hours of operation during eSIMS registration periods are Monday through Friday, 8:30am – 9:30pm. Our hours of operation during non eSIMS registration, through the deletion date, are Monday through Friday 9:00am – 5:00pm. Hours of operation differ during the module; please call the Help Center for additional information.

**You can earn a Liberal Arts degree on weekends!
A Suggested Sample Program**

Notes:

Please be aware that in order to successfully enter this track of courses, the student must have already passed all placement tests (COMPASS Math, COMPASS Reading, and CUNY ACT Writing).

In order to graduate, all students must pass the CUNY-wide CPE Writing Exam.

Remember to make an appointment with your Advisor to work out an individualized course of study.

Fall-

Friday PM: Biology 07000 (The Science of Nutrition, 3cr.)

Sat AM: History 05900 (Modern America: 1920-Present, 3cr.)

Sat PM: Psychology 01100 (General Psychology, 3 cr.)

Sunday AM: HPE 01200 (Foundations of Health, Phys. Ed., 3cr.)

Spring-

Friday PM: CP 01100 (Introduction to Computers, 4cr.)

Sat AM: Speech 02100 (Effective Public Speaking, 3cr.)
