General Information

HOW TO REGISTER

ALL STUDENTS
All students, regardless of status, must be admitted to Kingsborough Community College in order to register for classes.

CURRENTLY ENROLLED STUDENTS
Currently enrolled students register for future terms based on their appointment times. Appointment times are visible on the Student Self-Service page of CUNYfirst.

TRANSFER STUDENTS
Transfer students should bring copies of their course enrollments and grades (transcripts or official grade reports) to academic planning and advisement, as well as to registration. Transcripts filed with the Admission and/or Registrar’s Office will not be available for registration/advising purposes.

VISITING STUDENTS FROM OTHER UNITS OF THE CITY UNIVERSITY OF NEW YORK (CUNY)
Matriculated students from any unit of the City University are admitted through the Kingsborough Registrar’s Office upon presentation of a valid and completed ePermit issued by the home college. Permit students are not guaranteed enrollment in any courses.

VISITING STUDENTS FROM COLLEGES OR UNIVERSITIES OTHER THAN CUNY
Visiting students from colleges or universities other than CUNY must complete an admission application. Existing health requirements related to measles, mumps and rubella, as well as meningococcal disease, must be met prior to registration.

WHAT YOU MUST KNOW FIRST
All students are expected to seek academic advisement and planning prior to registration. An advisement period will be provided during the Fall term for Spring registration and Summer registration. Academic advisement and planning for the Winter module will be available at that time as well.

All currently registered students will also receive notification on their College e-mail. You cannot register before your appointed time. You cannot register if you have an outstanding obligation to the College and a service indicator (hold) has been placed on your record.

NOTE: All information in this Schedule is in effect at the time of publication. It may be subject to change without notice when circumstances dictate.
WEB REGISTRATION INSTRUCTIONS

CUNYfirst is the student system of record, and this will impact several aspects of your experience as a Kingsborough student, from registering for classes to accessing your student records.

The instructions below have been created to guide you through the CUNYfirst system.

I. Check your Kingsborough College email account for important notices about CUNYfirst.
   If you have not activated your Kingsborough email account please do so now. Type the following web address in your internet web browser address bar. http://www.kingsborough.edu/newemail

II. Claim Your CUNYfirst account

   Your CUNYfirst account is now activated. Please make note of your username and password and keep them in a safe place. You will need to update your password every 90 days. A reminder will be emailed to you at 85 days. You will not be able to re-use one of your four previous passwords. Your password cannot be changed for five days after you last changed your password.

   #1 Go to https://home.cunyfirst.cuny.edu
   #2 Click First Time User
   #3 Enter:
      First Name
      Last Name
      Date of Birth. You must type forward slashes (e.g., 01/01/1997).
      Social Security Number (last 4 digits)
   #4 Type the word(s) you see in the box. This feature, called "CAPTCHA," will help keep out computer programs that are designed to break a system's security CAPTCHA figures may be difficult to read. If so, click on the red reload button to the right.
   #5 Click OK
   #6 Select your Challenge Questions and Answers – you need five of them. Choose each question from the drop down, and then type in your answer.
      Make your answer memorable and not changeable. Don’t repeat questions. Answers are not case-sensitive and must be at least two characters long.
   #7 Choose your password.
      Your password must be at least eight characters long, and contain at least one UPPERCASE character AND at least one numeral (1, 2, 3, etc.) or symbol (&, %, ?, etc.).
   #8 After you've entered your password and confirmed it, click OK.

III. Log in to CUNYfirst

   After you have claimed your account, you will receive a confirmation screen with your username and CUNYID. Your CUNYfirst username typically will be your first name and last name, with a dot in-between the two names. Added to that would be the last two digits of your CUNYID. For example, John Smith would be john.smith12.
Your password is the password you created when you claimed your account.

- #1: Go to https://home.cunyfirst.cuny.edu
- #2: Enter Username / Password
- #3: Click Submit

HEALTH REGULATIONS AND SERVICES
BEFORE REGISTRATION ALL STUDENTS MUST ALSO COMPLY WITH THE
REQUIREMENTS OF TWO NEW YORK STATE PUBLIC HEALTH LAWS (NYSPHL).

NYSPHL #2165 requires all students who were born after December 31, 1956 to submit to the
College proof of immunity against measles, mumps and rubella.

NYSPHL #2167 requires the College to distribute information to all students on meningococcal
disease (or meningitis) and a response form. Upon receipt of this information, students must
complete and return the response form to the College.

The above information requested by law should be submitted to the Office of Health Services at least
two weeks prior to registration.

Students enrolled in the Nursing, Surgical Technology, EMS/Paramedic, or Polysomnographic Programs
need additional immunizations and tests which must be completed prior to attending clinical affiliations.

The College requires signed authorization by students, parents or legal guardians to release medical records. Students who are under 18 years of age need a parent or legal guardian to sign the release for them.

First aid, emergency treatment, psychological counseling and referral, educational, preventive and advisory
services are available. Registered Nurses are in attendance whenever classes are in session. Any accident or
illness incurred during school hours or en route to the College should be reported immediately to the Office
of Health Services.

NOTE: The College does not monitor individual student participation in physical education or athletics. Students are responsible for following the advice of their physician(s) in these matters. The College will take no responsibility whatsoever for any injury which may be suffered should a student participate without medical advice or against medical advice. Furthermore, the College will not be responsible for any injury suffered as a result of a physical incapacity.
VETERANS, DEPENDENTS, ACTIVE MILITARY MEMBERS AND RESERVISTS

For information and assistance regarding educational benefits from the Veterans Administration, please contact Tara Yarczower, Certifying Officer and Veterans Program Specialist. She is available to answer any inquiries and assist when needed by appointment or walk-in. Office hours are Monday, Tuesday, Thursday, and Friday, 9:00 AM to 5:00 PM; and Wednesday 9:00 AM to 7:00 PM in Room C-106. Students are able to walk-in, but be aware that being seen is not guaranteed. If you need to be seen, it is best to make an appointment. Appointments can be made by calling 718-368-5472 or by coming to the Military and Veteran Affairs Office in Room C-106.

Priority registration is given to all Veterans and their Dependents, Active Military Members, and Reservists who are coded as such in the CUNYfirst system. Make sure to submit your documents (DD214, active military ID card, etc.) to Room C-106 to ensure appropriate coding.

Claims for educational benefits whether NEW or CONTINUING can be established for:

- Post 9/11 G.I. Bill Chapter 33
- Montgomery G.I. Bill Chapters 30, 1606, 1607
- Dependents Educational Assistance Chapter 35
- Vocational Rehabilitation Chapter 31

In order to receive your benefits for each term or module, you must submit the following documents to the Veterans Affairs Certifying Official after your registration has been completed in order to receive benefits:

- Tuition Bill
- Course Schedule
- Certificate of Eligibility
- Discharge Papers DD214
- Academic Advisement Plan

If you change your mailing address, email address, type of benefit, major or schedule at any point in time (this includes dropping, adding, swapping courses/sections, or withdrawing from a class or classes) after you submit your documentation, you MUST provide an updated schedule and/or updated information.

Failure to do so will negatively impact the amount you are awarded and can result in a debt to the VA. Non-compliance with college retention standards will result in loss of benefit eligibility.

VESID Students

New York State VESID students may not be required to pay all their tuition and fees, provided the College has an approved voucher from VESID by the time of registration which states the amount the agency will pay. HOWEVER, VESID STUDENTS SHOULD CONTACT THE BURSAR'S OFFICE PRIOR TO REGISTRATION TO DISCUSS THEIR STATUS.
CUNY PERMIT STUDENTS
Permit students are matriculated students currently enrolled in other CUNY Colleges. Students who wish to attend classes at Kingsborough Community College on permit should contact their Home College Registrar’s Office for information on CUNY’s ePermit process or apply through their CUNYfirst account. Cancelling a permit does not cancel your course registration; you must delete or withdraw from your course registration.

NURSING STUDENTS
The academic requirements in the Nursing Curriculum are demanding and students are cautioned to plan their work schedules or extracurricular activities with this in mind.

Clinical Nursing students incur the expense of purchasing a required uniform and equipment necessary for clinical practice in health care agencies. These students also pay a fee for standardized testing throughout the program. The cost of required textbooks, uniform and equipment is approximately $758.00 for the first semester. Additional textbooks are required for subsequent classes. Malpractice insurance, approximately $37.00/year, and health requirements are required on an annual basis.

RESIDENCY
To be eligible for the resident tuition rate and New York State financial aid, you must be a citizen, green card holder or non-resident of the United States who meets certain criteria, and have been a legal resident of New York State for at least 12 consecutive months prior to the first day of classes. Applicants who live in a county outside New York City but within New York State must submit a Certificate of Residence from their county. This certificate must be issued no earlier than two months prior to registration and submitted no later than at registration. For a Certificate of Residency application, please call the Bursar’s Office. Some students may be asked to provide documentation of their New York City or State residency. F-1 and J-1 visa holders are ineligible for in-state tuition rates.

Non-citizen permanent residents of the United States must bring their green cards or other proof of permanent residency to the Office of Admission before the first day of classes in order to be eligible for the resident tuition rate. Some students in other Immigration and Naturalization Service categories may be eligible for the resident tuition rate.

GENERAL INFORMATION
1. The number of credits or equated credits for each course is indicated with course title and description.

2. Equated credits pertain to non-credit, developmental courses. (See appropriate course description.)

3. Students who already possess at least an Associate Degree or its equivalent will be charged tuition according to their residency and matriculation status.

4. Senior Citizens (60 years of age and over) who present proof of age and residence do not pay tuition. However, a non-refundable $80.00 registration fee (inclusive of the Consolidated Services Fee) is due. Non-City (state residents) must submit a valid Certificate of Residence.
IMPORTANT REGISTRATION REMINDERS

- When preparing for registration, work out several alternate programs (courses and sections); some classes may be closed or unavailable when you register.

- All students are expected to attend classes regularly. Students are advised not to skip classes to attend college functions such as registration or program changes, etc.

- Courses numbered 081XX are Independent Study Courses. The subject matter of these courses varies, even within the same department. Be sure to check each individual section with a 081XX course number and ask a department representative for a complete description of the course.

**FRESHMEN MAY NOT REGISTER FOR "81" COURSES.**

- Enrollment in courses is subject to availability of space. The College reserves the right to cancel, change or add courses and/or sections. You are encouraged to check your schedule before the semester begins to determine if your courses may have been changed.

- The calendar, program and requirements set forth in this Schedule are necessarily subject to change without notice at any time at the discretion of the Administration.

- All tuition and fee schedules are in effect at the time of publication. However, they are necessarily subject to change without notice, at any time, upon action by the Board of Trustees of The City University of New York, regardless of the tuition and fee schedules in effect at the time of registration.

- All students who attend classes at Kingsborough Community College are required to maintain the “Rules and Regulations for the Maintenance of Public Order” as printed in the current College Catalog.

- The College expects that students will spend two hours and five minutes of outside preparation, study, and work, for each hour of classroom instruction. In those few courses that require independent study, outside work in addition to the two hours and five minutes will be required as assigned by the instructor.

ANNUAL NOTIFICATION TO STUDENTS

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

- The right to inspect and review the student’s education records. Students should submit to the appropriate official written requests that identify the record(s) they wish to inspect.

- The right to request the amendment of the student’s education records that the student believes is inaccurate or misleading.

- The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

- Be a U.S. citizen or eligible non-citizen.
- Have a U.S. high school diploma, or a high school equivalency diploma through Test Assessing Secondary Completion (TASC) – formerly known as GED – or pass a federally approved Ability To Benefit test (ATB). The ATB test must be taken and passed prior to the first day of classes of the 12 week session.

- Have achieved a “C” average after the second academic year.

- Not be in default on any state or federal student loans or on any repayment of state awards.
- It is the student’s responsibility to make sure he or she is registered for at least 12 credits every semester.

AID FOR PART-TIME STUDY (APTS)
To be considered for an APTS award, YOU MUST:
- Be a resident of New York State and have resided in NYS for 12 continuous months.
- Be a U.S. citizen or eligible non-citizen.
- Have a U.S. high school diploma, or a high school equivalency diploma through Test Assessing Secondary Completion (TASC) – formerly known as GED – or pass a federally approved Ability To Benefit test (ATB). The ATB test must be taken and passed prior to the first day of classes of the 12 week session.
- Be matriculated as a part-time student (6 – 11.5 credits).
- Register for courses in your major/curriculum (plan).
- Maintain good academic standing.
- Have achieved a “C” average after the second academic year.

- Have a New York State net taxable income of $50,550 or less for dependent students, or $34,250 or less for independent students.
- Not be in default on any state or federal student loans or on any repayment of state awards.

State Education Law has been amended to create a Part-Time Tuition Assistance Program for students attending the State University of New York (SUNY), the City University of New York (CUNY), and not-for-profit, independent degree-granting colleges.

Please refer to the attached link for Progress and Pursuit Charts [http://www.kbcc.cuny.edu/sub-financial_aid/Pages/tap.aspx](http://www.kbcc.cuny.edu/sub-financial_aid/Pages/tap.aspx)
To be eligible for Part-Time TAP, a student must be a freshman in the 2008-09 academic year or thereafter, have earned 12 credits or more in each of two consecutive semesters, and maintain a "C" average. Part-Time TAP is similar to the CUNY PT Pilot, which began in 2000 and allows for partial TAP payment for students taking 6-11 credits.

Part-Time TAP should not be confused with the Aid for Part-Time Study Program (APTS), which is a different program and has different eligibility requirements.

**Students receiving TAP, PTAP or APTS for the first time beginning FALL 2007 and after MUST have a U.S. high school diploma or GED or must pass the ATB exam.**

Kingsborough Policy: Departmental waivers and course substitutions must be submitted to the TAP office on, or before, the first day of classes.

**REDUCTION OR LOSS OF FINANCIAL AID**

**How does withdrawing from my courses affect my aid?**

Financial aid is awarded with the expectation that you will attend school for the entire period for which you are registered. Withdrawing from classes can have both short-term and long-range effects on your eligibility to receive the financial aid payments for which you applied. For example, you may discover after withdrawing from a class that your tuition charges remain the same, but your financial aid is reduced or eliminated. You may also be asked to pay back money you received in a financial aid payment because you subsequently withdrew from your classes. Then again, you might find that you are not eligible to receive a payment in the current semester because you had too many withdrawals in past semesters. These situations can leave you having to pay tuition bills and other school expenses out of your own pocket.

We do suggest that you speak with your professors and an academic advisor if you think you have to withdraw from a class. Decisions related to your academic program should not be based solely on financial considerations, and an advisor can perhaps lead you to a better solution -- one that doesn't require you to withdraw.

**NEW YORK STATE TUITION ASSISTANCE PROGRAM (TAP)**

If you meet the TAP definition of full-time between the first day of classes and the end of the add/drop period and have been charged for each of those classes, you may be able to keep your TAP award for that term even if you subsequently withdraw from those classes. Your original award amount may be adjusted to reflect any recalculated tuition.

To continue receiving TAP or other New York State awards, you must meet the State’s academic performance requirements every semester you receive a payment. Excessive numbers of withdrawals in any TAP-supported semester may affect your ability to meet the academic performance requirements and endanger your ability to continue receiving TAP. To learn more about the TAP academic performance requirements please visit our website at [http://www.kbcc.cuny.edu/sub-financial_aid/Pages/tap.aspx](http://www.kbcc.cuny.edu/sub-financial_aid/Pages/tap.aspx).
Based on your eligibility, financial aid awards, such as Pell Grant, FSEOG or Direct Loans, are based on whether you are enrolled full-time (12 or more equated credits), 3/4 time (9-11 equated credits), half-time (6-8 equated credits), or less than half-time (1-5 equated credits) as of the end of the add/drop period. The last day to add/drop courses is our certification of enrollment date, 7th day of classes for the term, at which time we will lock in your enrollment status for the entire term (the 12 week session and the 6 week module). For example, if you start the semester as full-time, but fall to part-time by the 7th day of classes, your financial aid awards will be adjusted to a part-time amount based on your eligibility.

On the 7th business day from the 1st day of classes, your enrollment status is locked for the term which means your financial aid award amounts will be based on your enrollment at that time. If you subsequently withdraw from part or all of your courses, we are required to process a Federal Return of Title IV calculation which will determine how much of your aid you earned and how much we are required to return to the Federal government. This is a Department of Education Federal policy that the college is required to follow. If you withdraw from all your classes after your financial aid has been paid, the College will determine if you have to repay any portion of your Federal awards under this same policy. In general, you must attend classes for more than 60% of the term to be entitled to 100% of your Federal financial aid.

All course withdrawals recorded on your permanent record may affect your eligibility to meet Federal satisfactory academic performance requirements and could result in a loss of Federal and State eligibility in some future semester.

What happens if I registered for courses and never attend?

To qualify for Federal or State financial aid, you must complete registration and begin attending your classes. If you receive a payment (made to the College or made to the student as a refund) for classes you know you have never attended (WN grade is assigned), you must return it immediately to Kingsborough Community College. To avoid having to repay your financial aid, it is important that you drop your courses before the 1st day of classes if you know well in advance that you will not be attending the college. You will be held responsible for any charges and overpayments of financial aid that you received and do not return due to failure to start attendance at Kingsborough Community College. For more information on grades and refund policies, please view the College Catalog at [http://www.kbcc.cuny.edu/sub-registration/Pages/catalog.aspx](http://www.kbcc.cuny.edu/sub-registration/Pages/catalog.aspx).

As a consequence, this action may result in a financial liability to the College that **must be satisfied by the student**. Consult with the Financial Aid Office (U-201) as to the effect such a change may have on your current semester entitlement and future awards for Federal and New York State funds.

**RETURN OF TITLE IV FUNDS**

Students are awarded Title IV Federal aid with the assumption that they will complete the entire period for which they were awarded. The Higher Education Act of 1965, as amended, requires students to earn Title IV funds on a pro rata basis. When a student ceases enrollment in all courses in a given session or module after the session or module begins, the U.S. Department of Education requires schools to determine if the student earned some portion of the federal aid awarded.
Based on your eligibility, financial aid awards, such as Pell Grants, FSEOG, or Direct Loans, are based on whether you are enrolled full-time (12 or more equated credits), ¾ time (9 to 11 equated credits), half-time (6 to 8 equated credits), or less than half-time (1 to 5 equated credits) as of the seventh day of classes. This day is the Financial Aid Certification of Enrollment Date, when the Office will lock in your enrollment status for the entire term (the 12-week session and the 6-week module). For example, if you start the term as full-time, but fall to part-time by the end of the seventh day of classes, your financial aid awards will be adjusted to a part-time amount based on your eligibility.

Courses that are dropped after the seventh day of classes, but before the official withdrawal period begins, will be assigned a grade of WD for financial aid purposes. A student who receives all “W” type grades (W, WA, WD or WU) in a given session or module will have the federally mandated Return of Title IV Aid (R2T4) calculation performed. Based on this calculation, a portion of the aid may need to be returned to the Federal government, and the student might incur a balance due to the College.

**IN ORDER FOR A STUDENT TO RECEIVE FINANCIAL AID FOR SESSION 2, THE STUDENT MUST BE PRE-REGISTERED BY THE BEGINNING OF SESSION 1. **

**FEDERAL PELL GRANTS**

- The Fall Session (Session 1) and the Winter Session (Session 2) are considered the Fall Term.
- The Spring Session (Session 1) and the Summer Session (Session 2) are considered the Spring Term.
- In order to receive PELL for a 6 week session (winter or summer), you must be pre-registered for that session by the 7th day of the first session.
- Financial Aid for the term will be disbursed during Session 1. Please note the following changes:

If you are part-time in Session 1 and do not pre-register for Session 2 by the end of the 7th day of Session 1, you will not receive any additional Financial Aid for Session 2.

If you pre-register for Session 2 and do not attend, you will be responsible to pay back any Financial Aid received for Session 2 classes.

**EXIT COUNSELING**

All student loan recipients who will complete degree requirements and/or withdraw must complete exit counseling online at [www.studentloans.gov](http://www.studentloans.gov). If exit counseling is not completed a hold will be placed on the student’s account until the exit counseling is completed.

To qualify for Resident tuition rates, an individual must have:

Resided in New York State for 12 consecutive months and within the New York City limits for 6 consecutive months, immediately preceding the first day of classes.

*FEES ARE NON-REFUNDABLE
TUITION AND FEES (PER SEMESTER)
(CONTINUED)

International Students who have an alien registration card must present it to the Admission Office, Room V-102, to determine residency status for tuition purposes prior to the first day of classes. Tuition is charged according to residency and matriculation status.

Students on permit from another CUNY unit will pay tuition at their Home College.

FULL-TIME (12 or more credits and/or 12 or more equated credits) New York City/New York State residents with a Certificate of Residence who have a valid TAP Award Certificate need not pay the full amount of tuition at registration. They pay the difference between the total tuition and fees and their semester TAP Award. TAP and Pell Grant students MAY LOSE ELIGIBILITY for Financial Aid if they fall below the required credit load or do not meet academic requirements. Full-time students who drop to part-time (fewer than 12 credits and/or 12 equated credits) during the 100% refund period may NOT be eligible for a TAP Award that semester. Students who withdraw from all classes during the drop/add (deletion period) or refund period will not be entitled to (eligible for) a PELL Grant. For details and information, see Page II – Financial Aid.

Students are responsible for all additional costs if an unpaid balance must be forwarded to a third-party collection agency. These costs include (but are not limited to) agency fees, attorney fees, interest and court costs. In addition, non-payment or a default judgment against your account may be reported to a credit bureau and reflected in a student’s credit report.
FEES AND EXPENSES FOR CLINICAL NURSING STUDENTS

Students are advised to refer to the Nursing Department website for up-to-date information on fees and expenses.

Students are required to purchase their own books. Clinical Nursing students incur the expense of purchasing a required uniform, school patch for the uniform, and equipment necessary for clinical practice in health care agencies. Books and the school patch are available at the campus bookstore. The approximate cost by term average $758.00.
