COURSE DESCRIPTION
This course is a survey of issues/transition faced by the beginning Associate Degree Nurse as an individual and as a member of the nursing profession. The history of nursing, the role and responsibilities of the nurse, legal aspects of practice and issues and current trends in nursing are discussed. Instruction may be in the classroom, online, or both (hybrid).

TECHNOLOGY REQUIREMENTS and POLICIES FOR ONLINE/HYBRID COURSE
Students participating in hybrid/online courses MUST HAVE access to one of the following Operating Systems: Windows XP, Windows Vista, Windows 7, and MAC OSX 10.5 MAC OSX 10.6
Attendance: Students in online courses must access Blackboard at least once each week in order for their attendance for that week to be confirmed.

STUDENT LEARNING OUTCOMES (SLO)
Upon completion of the Kingsborough Community College Nursing Program, using the Nursing Process in a variety of health care settings to a diverse population of patients the student will:

Course SLOs:

1. Organize nursing care to provide a safe patient environment.
2. Prioritize nursing interventions to provide caring, patient-centered nursing care.
3. Integrate evidence based nursing practice into nursing care.
4. Integrate critical thinking/clinical reasoning strategies when providing nursing care.
5. Support the principles of teamwork and collaboration when working with members of the interprofessional team.
6. Develop appropriate leadership/management strategies to provide patient care.
7. Incorporate the utilization of informatics principles and technology systems while providing nursing care.
8. Support ethical and legal principles relevant to the practice of a registered nurse.
ASSESSMENT MEASURES FOR COURSE SLOs
Students will perform satisfactorily in all course work as evidenced by achieving a grade of 75% on various course specific written assignments.

Attendance
Nursing 24 is a hybrid course. **Students are expected to log onto Blackboard weekly.** These logons will be used to determine class attendance. A student is deemed excessively absent in any course when he/she has been absent 15% or more of the contact hours a class meets during the semester. More than one week not logged on to Blackboard constitutes excessive absence.

STUDENT WITH DISABILITIES
Access-Ability Services (AAS) serves as a liaison and resource to the KCC community regarding disability issues, promotes equal access to all KCC programs and activities, and makes every reasonable effort to provide appropriate accommodations and assistance to students with disabilities. Your instructor will make the accommodations you need once you provide documentation from the Access-Ability office (D-205). Please contact AAS for assistance.

RETENTION CRITERIA
Criteria for retention in the Nursing Program mandates that students;

1. Earn a minimum of a “C” grade in every required Nursing and co-requisite course inclusive of BIO 1200, BIO 5100, ENG 2400, and PSY 3200.
2. **Students who achieve a “C-” grade in required clinical nursing course may apply to repeat the course one time only in the semester immediately following, subject to space availability. The minimum grade for clinical courses that are repeated is a “B.”** The “Intent to Return to Nursing Course” form can be found on the KCC Website Nursing Department page under “Forms”. This must be completed and include a plan of success that demonstrates significant changes in how they will approach the course when repeated. Only one required nursing course may be repeated. A grade of less than a “C” in a second nursing course will cause the student to be dismissed from the program.
3. Students must achieve a grade of “B” in order to pass NUR 1700. Students in NUR 1700 who achieve a failing grade of no less than “C-” may repeat the course one time only after submitting an “Intent to Return Form.”
4. Students who enter Nursing 1700 and Nursing 1800 **MUST** complete the Nursing Program within four years from the date of entry into this course. Any student who has not attended nursing courses for two or more consecutive semesters cannot be readmitted into the Nursing Program unless qualifying examinations have been passed in the required nursing courses previously successfully completed. Qualifying examinations may be repeated only once.
5. Students in the clinical component can only appeal the retention criteria one time.
6. Students in the clinical component can only withdraw once and must be passing to do so.

Expectations of Students:

All assignments must comply with college standards for written work. Assignments are to be turned in on the date that they are due. All assignments must be handed in by the end of the course to complete the requirements of the course. A late assignment will meet the requirements of the course but will not receive full credit. Five (5) points per day will be penalized for late submissions. If written assignments are not submitted by the end of the course, the student will receive a grade of “INC” for the course and will not be eligible for graduation.
PrepU Mastery Assignments: Students must achieve a minimum level of 5 on all PrepU Mastery Assignments. Two (2) points per day will be penalized for late completions. If all PrepU Mastery assignments are not completed by the end of the course, the students will receive a grade of “INC” for the course and will not be eligible for graduation. The Mastery Level topics are as follows:

- Substance Abuse, Eating Disorders, Impulse Control Disorders
- Psychotic Disorders
- Neurosensory Disorders
