**Course Descriptions**

**Piano**
Learn to play songs on the keyboard in this fun introductory piano course.

**Basketball**
Learn the basic skills, rules and tactics of basketball. You must wear sneakers.

**Coding Genius**
Learn how to code utilizing the python coding language to create games, animation, interactive stories, and build projects through a Rasberry Pi motherboard.

**Amazing Art**
Learn how to craft wearable art with embellishments, paints, and other mediums.

**Business Junior**
This unique class will teach business elements in a fun approach.

**Animal Expert**
Learn fascinating information about each animal including their anatomy, habitat, and favorite foods.

**Math Academy**
Math concepts are presented in an enjoyable, non-threatening environment.

**Soccer**
Learn the basic skills, rules and tactics of soccer. Practice kicking, trapping and passing the ball. You must wear sneakers.

**Robotics & Model Making**
Learn about vital components in engineering as you spend time creating simple robotics and crafting fascinating machine replicas.

**Flag Football**
Learn the basic skills, rules and tactics of non-contact flag football. You must wear sneakers.

**Journalism**
Learn how to research information, interview witnesses and special guests, refine your writing, and delivery your story.

**Yoga**
Learn yoga postures in a fun, safe way that encourages kids to play and try something new.

**Baking Boot Camp**
You will feel like a baker and a chef as you work with other students to make delicious baked creations.

**Fishing**
Learn the fundamentals of fishing and identifying different types of fish.

**Minecraft**
You can create, explore and put problem solving skills to the test with story boarding and level design.

**Architecture & Design**
Explore the components of architecture as you learn spatial relationship planning, wall elevations, and more.

**Gardening For Fun**
From flowers to food, basic skills are needed to grow crops. This fun class will have everyone participating.

**Crazy Chemisty**
Experience life as a scientist in a lab full of bubbling potions and mechanical marvels.

**Forensic Fun**
An elementary introduction to detective science involving riddles, crime-solving and case-breaking activities.

**Ancient History Adventure**
Enter magnificent ancient worlds. Meet famous people and discover fascinating facts through an exploration adventure.

**Voice For Kids**
Learn notes and songs. Harmonize to create beautiful music together. Sing, have fun, make friends and enjoy.

**Swimming**
Bring towel, swimsuit and a combination lock. Children must be at least 52" tall to swim. NO EXCEPTIONS. You will be measured!

**Tennis**
Learn the basic skills, rules and tactics of tennis. You must wear sneakers.

---

**Summer 2015**

The Summer College For Kids groups are open to girls and boys ages 7 through 13 and meets weekday mornings for 4 weeks and full-days for your choice of 4 or 6 weeks!

Early-Bird discount on either of our Full-Day Programs for students that enroll between March 14 and June 15, 2015.

We also offer an Early Kiddie College Program for ages 5 & 6. Call 718-368-5052 for more information.
