Course Descriptions

Art Attack
Learn how to craft wearable art with embellishments, paints, and other mediums.

Basketball
Learn the basic skills, rules and tactics of basketball.

Book Club
This class will enhance your ability to discuss what you’ve learned in an interactive reading community.

Build Your Own App
Learn the essentials of building your very own app using basic program language.

Code Blue
Learn how to prevent injuries and when to give first-aid through kid friendly activities.

Creations in Clay
Work with clay to create ceramic pieces. Translate your idea into a work of art.

Film Academy
You will have the opportunity to be the director, the editor, the screen writer, or the actor in your very own film.

Fishing
Learn the fundamentals of fishing and identifying different types of fish.

Flag Football
Have fun playing this non-contact football game.

International Explorer
Learn fun facts including phrases, food, locations and practices of various cultures.

Languages
Travel the globe learning the art of language such as Spanish, French, Hebrew, sign language and more.

Let’s Move
Learn fun ways to stay active with aerobic activity and games.

Mad Scientist
Experience life as a scientist in a lab full of bubbling potions and mechanical marvels.

Math Games
Math is presented in a fun, non-threatening fashion to increase comfort levels and understanding of the subject.

Murder Mysteries
An elementary introduction to detective science involving riddles, crime solving, case-breaking activities.

Piano
Learn to play songs on the keyboard in this fun introductory piano class.

Prep to Plate
Learn how to make healthy, fun and easy meals. Learn how to make favorites like pizza, ice cream and mac and cheese.

Rock Star
Use the power of technology to create your own songs and soundtracks, explore the basics of song composition and track editing.

Sea Around Us
Learn about fish, sharks, and the deep sea. You will visit KCC’s aquarium and see actual sharks.

Soccer
Learn the basic skills, rules and tactics of soccer. Practice kicking, trapping, passing the ball and shooting. You must wear sneakers.

Space Race
You will explore different galaxies while learning about the universe.

Swimming
Gain confidence in the water and learn new strokes.

Bring towel, swimsuit and a combination lock. Children must be at least 52” tall to swim.

NO EXCEPTIONS. You will be measured!

Tennis
Develop the skills to compete successfully at the popular game of tennis.

Volleyball
Learn the basic skills of volleyball including the bump, set, pass and serve.

Website Development
Explore the components necessary to build an informative, eye catching website.

Write Right
Discover creative writing and story-telling through writing plays, and short stories.
