Test Preparation

**RTP 01**
**SAT Preparation (T)**
TueWed 6:30pm-9:30pm
June 30-Aug 11
An intensive course for high school students preparing for the **Oct 11, 2015** SAT, this course provides expert advice and instruction. Certified instructors provide review and practice under simulated test conditions to help prepare students for the verbal reasoning, essay portion, and problem-solving skills measured by the test. Study skills, coaching and test-taking tips are provided, as well as individual and group conferences with a certified college counselor. A workshop for parents and guardians is included in the last session.

*The text book is available for purchase in the college's bookstore and should be brought to all class sessions.*

**Preparation for the CUNY Freshman Skills Assessment Test (ACT) (T)**
TueThur 6:45-9:45pm
June 30-Aug 13
The colleges of The City University of New York, as do most other colleges across the country, require entering students to take assessment tests in basic skills: reading, writing, and math. Many adults who lack recent experience with formal testing, score below their “true” skill levels. Enhance your test-taking skills through drill, review, and practice.

*Prerequisite: High School or High School Equivalency diploma.*
