This highly interactive course provides the skills to recognize and provide care in respiratory and cardiac emergencies, using the latest 2010 AHA guidelines, to teach adult, child and infant cardiopulmonary resuscitation (CPR) and automatic external defibrillator (AED) use. Upon successful completion, you will receive a BLS HCP card issued by AHA, valid for two years.

Students are responsible for studying the required textbook prior to class. Information for textbook retrieval will be given upon registration.

CTF 78/79
CNA Intensive (T) $650
MonTueWedThur 6-10pm
June 27-Aug 22

30-hour clinical experience will be conducted in the morning and/or early evening.

This course introduces students to the needs of the patient, legal/ethical issues, effective communication and anatomical changes accompanying the aging process. It will also cover health and nutrition and the care of persons with cognitive and mental disabilities. Includes 30 hours of supervised clinical experience in a Residential Health Care Facility.

Prerequisite: Students are required to pass an entrance exam before registering for this course. Contact (718) 368-5359 for more information.

Pre/Co-requisite: RTP 40, CPR/Basic Life Support.
Materials fee: $40
Students are responsible for purchasing textbooks and uniforms, and for certifying exam fees separately.
Textbooks may be purchased at the Kingsborough bookstore. Students will be informed of uniform scrub color by instructor.
Contact the Healthcare Institute prior to registering at: (718) 368-5359.
