Course Descriptions

3D Creator
Using computer aided design, you will draw in 2D and extrude your design to make miniature 3D objects such as rings, ornaments, keychains, magnets and more.

Acting & Screenwriting
Now here is your chance to create your own TV shows and TV commercials! Learn how to write scripts for commercials and create your own TV shows!

Amazing Art
Learn how to craft wearable art with embellishments, paints and other mediums.

Baking Boot Camp
You will feel like a baker and a chef as you work with other students to make delicious baked creations.
(2 Hour class - ages 10-13 only)

Basketball
Learn the basic skills, rules and tactics of basketball.
You must wear sneakers.

Business Junior
This unique class will teach business elements in a fun approach.

Drawing & Painting
Learn how to create artistic pieces through drawing images and bringing your illustrations to life with paint.

Dream Home Design
Using computer software, you will be able to construct a 3D model of your dream home and design and decorate the interior with style.

Fishing
Learn the fundamentals of fishing and identifying different types of fish.

Flag Football
Learn the basic skills, rules and tactics of non-contact flag football.
You must wear sneakers.

Forensic Fun
An elementary introduction to detective science, involving riddles, crime-solving and case-breaking activities. Learn to take and analyze fingerprints, detect counterfeit money and more.

Fun Science Projects
From thinking of a unique science fair experiment to putting fabulous finishing touches on the display, you will learn to put together a winner—and have fun doing it too.

Gardening For Fun
From flowers to food, basic skills are needed to grow crops. This fun class will have everyone participating.

Globe Traveler
In this fun geography class, you will travel the world learning about continents and the countries in them.

Graphic Design For Kids
Learn the basic principles of design and construction to create greeting cards, flyers, comic strips, logo designs and report covers. Great for graphic art projects or just plain fun!

Guitar
Learn basic chord patterns, picking techniques and how to tune your guitar.

Journalism
Learn how to research information, interview witnesses and special guests, refine your writing, and delivery of your story.

Kickboxing
This high-adrenaline course strengthens the heart and lungs while awakening your inner strength and helps build confidence. You will learn kick and punch combinations while improving coordination and balance.
This is a non-contact class.
You must wear sneakers.

Kids Campus
As a team, you will design a Kids Campus website and create interesting content through blogging.

Math Academy
Math concepts are presented in an enjoyable, nonthreatening environment. Skills covered will reflect current grade-appropriate curricula.

Minecraft™
You can create, explore and put problem solving skills to the test with story boarding and level design.

Music Academy
Learn to play songs on the keyboard in this fun introductory piano class.

Physics 4 Kids
Learn about the spectacular world of physics including motions and forces. You will learn how to make a rubberband powered car, a sound wave phone, and more.

Robotics & Model Making
Learn about vital components in engineering as you spend time creating simple robotics and crafting fascinating machine replicas.

Scrapbooking
Use photos and other memorabilia along with crafting materials to create personalized scrapbooks.

Space Race
Is time travel possible? Have you thought of life on another planet? You will explore different galaxies while learning about the universe. Come learn where science fiction and fun meet.

Swimming
Bring towel, a swimsuit and combination lock. Children must be at least 52” tall to swim. NO EXCEPTIONS. You will be measured!

Tennis
Learn the basic rules and tactics of tennis.
You must wear sneakers.

Wiffle Ball
Learn the basics rules, skills, and tactics of wiffle ball, a variation of baseball that uses a plastic bat and ball.
You must wear sneakers.

Yoga
Learn yoga postures in a fun, safe way that encourages kids to play and try something new.
