High School Equivalency (TASC™) Test Preparation

In January 2014, New York State replaced the GED® exam with the Test Assessing Secondary Completion (TASC™) as the principal pathway to a High School Equivalency (HSE) diploma. Every year, HUNDREDS of adults who prepare at Kingsborough earn their HSE diplomas, and many then go on to Kingsborough Community College’s degree programs!

- One of the best instructional programs to prepare you for the TASC™ exam
- Test-taking practice with mini-exams based on the official TASC™ exam
- Anxiety reduction and test-taking skills
- Writing workshops to improve writing skills and prepare for the essay portion of the exam
- Assistance in getting scheduled at our HSE Testing Center as soon as you are “test-ready”
- Streamlined admission to Kingsborough Community College and counseling regarding other City University programs

You must be at least 18 years of age or older to enroll, and at least 19 years old to take the New York State exam. All students enrolled in the HSE program must pass the Official Assessment Readiness Test before taking the TASC™ exam.
