Freshman Services Benchmarks Towards Success

Attending College is about finding out who you are as well as obtaining a degree. Freshman Services is here to help you start thinking about your future as well as trying to help you discover the major and courses that will lead you to success. Following the benchmarks that are listed below will help you navigate through your Freshman Year!

As a First Semester Freshman, I will...

- Become familiar with programs and services available to me at KCC
- Visit Student Life in C123 to learn about student groups and activities
- Check my KCC student email for important information
- Check Freshman Services Facebook page and bulletin board for information regarding important events and dates
- Visit my instructors during office hours with any questions
- Learn How to use the KCC Library
- Schedule an appointment with my advisor for advisement and registration

As a Second Semester Freshman, I will...

- Continue to check my KCC student email for important information
- Visit M201/M101 where my new advisor is located
- Refer back to my advisement sheet for the classes I need to take
- Look at the course offerings on the CUNYfirst website
- Begin attending Job/Internship Fairs
- Visit C102 to learn about transfer options
