

Professional Organizations

- **American Nurses Association**

<https://www.nursingworld.org/membership/student-nurses/>

The American Nurses Association offers a student-focused membership stream of resources, support, and professional tools tailored to pre-licensure RN nursing students in an undergraduate program, including access to career guidance, community networking, and exclusive nursing resources to help you grow in the profession.

- **National Students Nurses' Association**

<https://www.nsna.org/>

The National Student Nurses' Association (NSNA) is a nonprofit professional organization that mentors and supports nursing students preparing for RN licensure and promotes their professional development. It offers leadership opportunities, conferences, networking, diversity, quality education, advocacy and care for nursing students.

- **Sigma Theta Tau International Honor Society of Nursing**

<https://www.sigmanursing.org/>

The Sigma Theta Tau International Honor Society of Nursing is a global honor society that advances nursing excellence through leadership, scholarship, and professional development. It offers networking, career development, and resources, and undergraduate students are typically eligible if they've completed half of their nursing curriculum, hold at least a 3.0 GPA, and rank in the top 35% of their class.
