

# Networking Events Outside KCC

- **Annual Interdisciplinary Conference**

<https://www.eventbrite.com/e/health-and-substance-use-prevention-treatment-and-policy-tickets-1977738932386#organizer-card>

The Health and Substance Use Prevention, Treatment, and Policy conference is a one-day event hosted by the NYU Langone Health Department of Population Health that brings together experts to discuss evidence-based approaches to substance use prevention, treatment, and policy. The event features panels with researchers and practitioners exploring strategies to improve prevention efforts, expand treatment access, and strengthen policy responses.

- **Annual NAADAC Conference**

<https://www.naadac.org/annualconference>

The NAADAC Annual Conference is a national event that brings together addiction professionals for education, training, and networking on the latest developments in prevention, treatment, and recovery. The conference features workshops, panel discussions, and continuing education opportunities led by experts in the addiction field.

- **NAADAC's Student and Educator Community**

<https://community.naadac.org/communities/community-home?communitykey=37619b22-3903-4ec7-b42e-cc7980f77af0&tab=groupdetails>

The NAADAC Community is an online networking platform where addiction professionals connect to share ideas, ask questions, and discuss challenges in the field. Members can participate in discussions, build professional networks, and learn from peers and industry leaders to strengthen their work in addiction prevention, treatment, and recovery.
