

# Networking Events Outside KCC

---

- **Tech Events in Eventbrite**

<https://www.eventbrite.com/d/ny--new-york/tech-events/>

The Eventbrite page for tech events in New York City shows a wide range of upcoming opportunities including networking mixers, AI/tech meetups, and larger expos as well as summits focused on topics like adaptive urban AI and career-boosting tech talks. Eventbrite events are updated in real time by organizers, so new tech meetups, workshops, and networking opportunities are added continuously.
