

Networking Events Outside KCC

- **NYC Public Schools Events**

<https://teachnyc.net/events>

The TeachNYC Events page lists upcoming sessions and hiring events hosted by NYC Public Schools for aspiring and current educators. These events help candidates learn about teaching pathways and certification requirements. They also provide job opportunities and internship fairs.

- **District 15**

<https://www.d15brooklyn.org/>

The Community School District 15 in Brooklyn serves schools across neighborhoods like Park Slope, Sunset Park, and Red Hook. They provide information on school resources and programs focused on student and family participation. This is valuable for teachers and paraprofessionals looking to engage with this specific district. Recommended in semesters 3 and 4.

- **District 22**

<https://www.instagram.com/district22bkny/>

The District 22 Brooklyn Instagram page is an official NYC Public Schools social media account that shares updates and events for schools in Brooklyn's District 22. It helps families stay informed about school programs and student activities. This is valuable for teachers and paraprofessionals looking to engage with this specific district. Recommended in semesters 3 and 4.

- **District 32**

<https://www.csd32.org/>

The Community School District 32 in Bushwick provides information about academic priorities and family resources. They support students by sharing news and encouragement for student success. This is valuable for teachers and paraprofessionals looking to engage with this specific district. Recommended in semesters 3 and 4.
