

Networking Events Outside KCC

- **NAB Show (Annual – April)**

<https://www.nabshow.com/>

The NAB Show network hosts a global event that showcases broadcast engineers, production workflows, and emerging media technologies.

- **SMPTE New York Section Meetings (Monthly / Ongoing)**

<https://www.smpte.org/events>

The SMPTE network focus on current industry practices and various technologies where you can learn from professionals in this field. This also includes networks within broadcast, media systems, and live production environments.

- **BEA Conference (Annual – Spring)**

<https://beaweb.org/wp/>

The BEA Conference has student-centered conferences with academic and professional engagement which include collaborative sessions, workshops, and dedicated networking activities with peers and experts.

- **CUNY Career Launch / Media Career Events (Ongoing)**

<https://www.cuny.edu/about/administration/offices/ocip/students/career-launch/>

The CUNY Career Launch program gives students networking opportunities by placing them in internships with NYC organizations and companies. They interact directly in hands on experiences to gain exposure to the industry environments.

- **Local Industry Meetups / NY Production Events (Ongoing)**

Research and join networking opportunities across film, broadcast, and live event production communities in your neighborhood.
