

Networking Events Outside KCC

- **New York State Recreation and Park Society Annual Conference**

<https://newyorkstaterecreationandparksociety.wildapricot.org/Conferences>

The NYSRPS Annual Conference and Expo is the largest gathering of park, recreation and therapeutic recreation professionals in New York State. With a focus on professional development, the annual conference offers 50+ educational sessions led by various presenters on a variety of relevant recreation topics. The annual conference program includes offsite visits to local attractions and a lively calendar of nighttime socials.

- **Reunited in Recreation Conference**

<https://newyorkstaterecreationandparksociety.wildapricot.org/event-5842535>

Reunited in Recreation is a one-day conference that brings together professionals, experts, and enthusiasts to share ideas, best practices, and innovative approaches in recreational programming. Attendees will participate in educational sessions led by industry leaders, gaining insights into emerging trends, effective strategies, and tools to address evolving challenges in the field. The event also offers opportunities to earn CEUs for Community and Therapeutic Recreation certifications while providing a networking space to build lasting professional connections.
