

Proactive Steps

Early Planning Efforts for Nursing Students

Recommendations beginning in Semester Four through Six:

- ✓ **Begin researching advanced degree nursing programs**
- ✓ **Check Degree Works or meet with STEM advisor to ensure all required courses and electives have been taken or are planned**
- ✓ **Finalize decision and apply for BSN program**
- ✓ **Apply for graduation**
- ✓ **Attending pinning and graduation**
- ✓ **Attend a NCLEX review course**
- ✓ **Take the NCLEX exam within 3 months of graduation**
