

Proactive Steps

Early Planning Efforts in Science for Forensics Students

- ✓ **Earn professional certifications**
- ✓ **Apply for internships**
- ✓ **Present research at conferences**
- ✓ **Attend employment events**
- ✓ **Become a member of forensic organizations**
- ✓ **Build professional networks**
- ✓ **Apply for research opportunities**

The CUNY Research Scholars Program is a year-long program where students work with faculty mentors on hands-on research projects across multiple semesters. Participants build skills through workshops, complete significant research hours, and develop projects in fields like STEM, social sciences, and business. By the end, students present their work while gaining academic experience and course credit.
