

KINGSBOROUGH COMMUNITY COLLEGE

Physical Therapist Assistant Program

Application Period is now open

A.A.S. Degree in Physical Therapist Assistant

A 68-credit (2 year) college degree, including fieldwork

Job opportunities: Physical therapist assistants work alongside physical therapists in hospitals, private practice, rehab centers, nursing homes and assisted living centers, and in clients' homes, to note a few.

The Bureau of Labor Statistics expects this profession will grow at a rate of 30% between the years of 2016 and 2026 due to the needs of an older population and individuals with chronic conditions, such as diabetes and obesity.

Kingsborough's PTA program is accredited by the Commission of Accreditation in Physical Therapy Education (CAPTE). Program graduates are eligible for licensing in any state within the United States, upon successfully passing the National Physical Therapy Examination (NPTE).
