- **FINAL EXAM MINI 2:**   **JUNE 11, 2023**

LECTURE AND CLINICAL INFORMATION

==**NUR 2200 VIDEOS**==

==**PLEASE REVIEW THE VIDEOS LISTED UNDER RESOURCES IN THE TEXTBOOK THAT IS ASSOCIATED WITH EACH CHAPTER!**==

- Please check with the staff in our Nursing Department Office to inquire if you are required to attend an orientation for your clinical site.   If your assigned agency requires an orientation, it is mandatory that you attend on the scheduled day. Failure to attend the orientation will result in removal from the course.

- Students are **not allowed** to do their clinical rotation where they are *employed.* It is the student's responsibility to notify the nursing office prior to the first day of class if there is a conflict.
- A *copy* of proof of influenza vaccination must be brought to the clinical agency on the first clinical day.
- ALL students must have health clearance, background check (CastleBranch – log on to your account and print report), verification of influenza vaccination, and a valid CPR certification *prior to the start of classes.*
- **Please retain a copy of each of these**; some of the clinical agencies require a copy of this documentation for their records.
- All clinical rotations are at assigned times. You should always be in full uniform and wearing your KCC ID.
- **Bring blank copies of the Unfolding Care Plan to the clinical every week.**
- You are no longer required to purchase individual malpractice insurance as CUNY has purchased a policy that covers all nursing students.

LABORATORY INFORMATION

- **ALL COLLEGE LABS ARE MANDATORY.**
- All College labs are in person
- Students are responsible for completing all asynchronous activities **PRIOR** to the laboratory experience.
- A case study each is assigned and will be reviewed. (SEE CASE STUDIES TAB ON BLACKBOARD)
- Videos will be viewed and discussed to enhance learning in content areas. (SEE COURSE CONTENT TAB ON BLACKBOARD)
- Assignments in the Prioritization, Delegation & Management of Care book will be reviewed.

Students are encouraged to review NUR 2100 content in the NUR 2200 required text. The syllabus is on the Nursing Dept. website.

Students are also encouraged to review NUR 1700 content as students will be tested on drug calculations the first week of school. An 80% pass rate is required.

NOTE:
GRADING CRITERIA for the course is outlined in the Course Syllabus available on the Nursing Department website and will be reviewed by faculty on the first day of class.

We are looking forward to a great semester!

Prof. Christine Vaz, Assistant Professor/Course Coordinator
Professor Carmel Ficorelli, Professor
Professor Kathy Byrne, Assistant Professor
