

MINI 1

Spring 2024 NURSING 2300 STUDENTS

Congratulations on your achievements thus far in nursing.

WELCOME TO **PEDIATRIC NURSING / Nursing Care of the Children 2300**

ALL students must have health clearance, verification of influenza vaccination (with Lot # & Expiration date), a valid CPR certification and verification of a clinical background check by CastleBranch prior to the start of classes. **FAILURE TO HAVE THE ABOVE DOCUMENTS WILL RESULT IN A CLINICAL ABSENCE.**

Please retain a copy of each of these; some of the clinical agencies require a copy of this documentation for their records. Make an extra Xerox copy of your CPR, Covid Vaccine, Flu Vaccine, Physical Exam and Criminal Background check report for the clinical agency files.

***Please Note: You are no longer required to purchase individual malpractice insurance as CUNY has purchased a policy that covers all nursing students.

By this time your degree application should be filed.
