

## **MINI 2**

### **SPRING 2020 NURSING 2300 STUDENTS**

Congratulations on your achievements thus far in nursing.

WELCOME TO **PEDIATRIC NURSING**

ALL students must have health clearance, verification of influenza vaccination (with Lot # & Expiration date), a valid CPR certification and verification of a clinical background check by CastleBranch prior to the start of classes. **FAILURE TO HAVE THE ABOVE DOCUMENTS WILL RESULT IN A CLINICAL ABSENCE.**

Please retain a copy of each of these; some of the clinical agencies require a copy of this documentation for their records. Make an extra Xerox copy of your CPR, Flu Vaccine, Physical Exam and Criminal Background check report for the clinical agency files.

\*\*\*Please Note: You are no longer required to purchase individual malpractice insurance as CUNY has purchased a policy that covers all nursing students.

**Please make sure you filed your degree applications for graduation at the time announced by your faculty. Make certain that you have completed the program AND college requirements.**

**MINI 2:** Will begin on FRIDAY April 24 – June 12, 2020

On Wednesday April 29, 2020, SECTION: 09 will attend their clinical site:
