

Kingsborough Community College
The City University of New York

Science 25 Laboratory Schedule
Fall 2006

All of the following laboratory experiments are available on-line under the Department of Physical Sciences and Science 25 labs. It is your responsibility to obtain copies and read them **BEFORE** coming to the laboratory.

<u>Laboratory meeting</u>	<u>Experiment</u>
1.	Metric System and Density
2.	Pendulum
Two exps. to download	Reaction time
3.	Conservation of Energy
4.	Electricity and Magnetism (2 Exps)
5.	Optics
6.	Radioactivity
Two exps to download	Spectroscopy
7.	Conservation of Matter
8.	Preparation and Properties of Oxygen
9.	Calorimetry (Cashew)
Two exps to download	The Gas Laws
10.	Liquids, Liquid Mixtures and Solutions
11.	Titration: The neutralizing power of TUMS
12.	Organic Chemistry
Two exps to be download	Aspirin and Nylon 6 – 10
