

# Supply Chain Delays

Wednesday, November 3, 2021

The College Community,

Global supply chain delays are increasingly affecting Kingsborough.

Higher transportation costs, a nation-wide shortage of truck drivers and cargo ships waiting on line to offload imported goods, are holding up deliveries of common College purchases such as:

Lumber & general construction materials

Plumbing & electrical supplies

Computer equipment

Paper goods

Wherever possible, please conserve on supplies and paper goods.

It is anticipated that across the board cost increases in commodity purchases in all commercial and consumer sectors will continue.

Your understanding and cooperation during these trying times is greatly appreciated.

Please do not hesitate to contact me with any questions.

Thank you.

Ed Rios

Vice President for Finance and Administration
