

WAC Building Envelope/Brick Repairs to Begin Monday on November 22nd

Monday, November 15, 2021

To the College Community,

DASNY's emergency repairs to the West Academic Cluster (WAC) building exterior walls will commence on Monday, November 22nd. The work should be completed within 3 weeks, weather permitting.

In order to keep noise levels down, the Contractor will remove all loose mortar joints with hand tools (hammer and chisel).

Thank you for your understanding and cooperation during the progress of these vital repairs.

If there are any questions, please do not hesitate to contact me.

Thank you.

Ed Rios
Vice President for Finance and Administration
Kingsborough Community College
